The City received the fire equipment and supplies that were purchased with federal Homeland Security funds by the City of Bellevue. The amount reported on the schedule is the value of the property on the date it was received by the City and priced by the City of Bellevue, Washington.

NOTE 4 – AMERICAN RECOVERY AND REINVESTMENT ACT (ARRA) of 2009

Expenditures for this program were funded by ARRA.

NOTE 5 – AMOUNTS AWARDED TO SUBRECIPIENTS

## **ABOUT THE STATE AUDITOR'S OFFICE**

---

The State Auditor's Office is established in the state's Constitution and is part of the executive branch of state government. The State Auditor is elected by the citizens of Washington and serves four-year terms.

Our mission is to work with our audit clients and citizens as an advocate for government accountability. As an elected agency, the State Auditor's Office has the independence necessary to objectively perform audits and investigations. Our audits are designed to comply with professional standards as well as to satisfy the requirements of federal, state, and local laws.

The State Auditor's Office employees are located around the state to deliver services effectively and efficiently.

Our audits look at financial information and compliance with state, federal and local laws on the part of all local governments, including schools, and all state agencies, including institutions of higher education. In addition, we conduct performance audits of state agencies and local governments and fraud, whistleblower and citizen hotline investigations.

The results of our work are widely distributed through a variety of reports, which are available on our Web site and through our free, electronic subscription service.

We take our role as partners in accountability seriously. We provide training and technical assistance to governments and have an extensive quality assurance program.
