Accountability Audit Report

Western Washington University

For the period July 1, 2012 through June 30, 2014

Published December 22, 2014

Report No. 1013190

Washington State Auditor Troy Kelley

December 22, 2014

Dr. Bruce Shepard, President
Western Washington University

Report on Accountability

Thank you for the opportunity to work with you to promote accountability, integrity and openness in government. The State Auditor's Office takes seriously our role of providing state and local governments with assurance and accountability as the independent auditor of public accounts. In this way, we strive to help government work better, cost less, deliver higher value and earn greater public trust.

Independent audits provide essential accountability and transparency for University operations. This information is valuable to management, the governing body and public stakeholders when assessing the government's stewardship of public resources.

The attached comprises our report on the University's compliance and safeguarding of public resources. Our independent audit report describes the overall results and conclusions for areas we examined. We appreciate the opportunity to work with your staff and we value your cooperation during the audit.

Sincerely,

TROY KELLEY
STATE AUDITOR

AUDIT SUMMARY

Results in brief

In the areas we audited, University operations complied with applicable requirements and provided adequate safeguarding of public resources. The University also complied with state laws and regulations and its own policies and procedures in the areas we examined.

About the audit

This report contains the results of our independent accountability audit of Western Washington University from July 1, 2012 through June 30, 2014.

Management is responsible for ensuring compliance and adequate safeguarding of public resources from fraud, loss or abuse. This includes the design, implementation and maintenance of internal controls relevant to these objectives.

Our audit involved performing procedures to obtain evidence about the University's uses of public resources, compliance with state laws and regulations and its own policies and procedures, and internal controls over such matters.

In keeping with general auditing practices, we do not examine every transaction, activity or area. Instead, the areas examined were those representing the highest risk of fraud, loss, abuse, or noncompliance. The following areas were examined during this audit period:

- Open Public Meetings Act
- Third party cash receipting
- Bank account control review
- Art and Engineering Technology course fees
- Meals with meetings

RELATED REPORTS

Financial

We provided the University opinions on the financial statements of the University, the Associated Students Bookstore, the Housing and Dining System, Parking Services and the Wade King Student Recreation Center in separate reports.

Financial

We perform an annual audit of the statewide basic financial statements, as required by state law (RCW 43.09.310). Our opinion on these financial statements is included in the Comprehensive Annual Financial Report (CAFR) prepared by and available from the Office of Financial Management.

The CAFR reflects the financial activities of all funds, organizations, institutions, agencies, departments and offices that are part of the state's reporting entity. That report is issued by the Office of Financial Management in December of each year and can be found at www.ofm.wa.gov.

A summary of the audit for the period ending June 30, 2013 can be found at: www.sao.wa.gov/generalinfo/Documents/2013_CAFR_Report_Final.pdf#search=CAFR

Federal programs

In accordance with the Single Audit Act, we annually audit major federal programs administered by the state of Washington. Rather than perform a single audit of each agency, we audit the state as a whole. The results of that audit are published in a report issued by the Office of Financial Management in March of each year.

INFORMATION ABOUT THE UNIVERSITY

Western Washington University, formerly Western Washington State College, achieved university status in 1977. Located in the city of Bellingham, the University serves approximately 15,000 students each quarter with approximately 1,695 permanent employees.

An eight-member Board of Trustees, appointed by the Governor and confirmed by the Senate, is responsible for oversight of University operations. Dr. Bruce Sheppard became the University's 13th President on September 1, 2008.

The University's operating budgets for the 2012-2013 and 2013-2014 fiscal years were \$270.0 and \$253.4 million, respectively. The major sources of revenue for the University include student tuition and fees as well as state appropriations.

ABOUT THE STATE AUDITOR'S OFFICE

The State Auditor's Office is established in the state's Constitution and is part of the executive branch of state government. The State Auditor is elected by the citizens of Washington and serves four-year terms.

We work with our audit clients and citizens to achieve our vision of government that works for citizens, by helping governments work better, cost less, deliver higher value, and earn greater public trust.

In fulfilling our mission to hold state and local governments accountable for the use of public resources, we also hold ourselves accountable by continually improving our audit quality and operational efficiency and developing highly engaged and committed employees.

As an elected agency, the State Auditor's Office has the independence necessary to objectively perform audits and investigations. Our audits are designed to comply with professional standards as well as to satisfy the requirements of federal, state, and local laws.

Our audits look at financial information and compliance with state, federal and local laws on the part of all local governments, including schools, and all state agencies, including institutions of higher education. In addition, we conduct performance audits of state agencies and local governments as well as [fraud](#), state [whistleblower](#) and [citizen hotline](#) investigations.

The results of our work are widely distributed through a variety of reports, which are available on our [website](#) and through our free, electronic [subscription](#) service.

We take our role as partners in accountability seriously, and provide training and technical assistance to governments, and have an extensive quality assurance program.
