### Report on Accountability

Thank you for the opportunity to work with you to promote accountability, integrity and openness in government. The State Auditor's Office takes seriously our role of providing state and local governments with assurance and accountability as the independent auditor of public accounts. In this way, we strive to help government work better, cost less, deliver higher value and earn greater public trust.

Independent audits provide essential accountability and transparency for District operations. This information is valuable to management, the governing body and public stakeholders when assessing the government's stewardship of public resources.

The attached comprises our report on the District's compliance and safeguarding of public resources. Our independent audit report describes the overall results and conclusions for areas we examined. We appreciate the opportunity to work with your staff and we value your cooperation during the audit.

Sincerely,

TROY KELLEY

## AUDIT SUMMARY

### Results in brief

In the areas we audited, District operations complied with applicable requirements and provided adequate safeguarding of public resources. The District also complied with state laws and regulations and its own policies and procedures in the areas we examined.

### About the audit

This report contains the results of our independent accountability audit of the Town Toyota Center from January 1, 2013 through December 31, 2013.

Management is responsible for ensuring compliance and adequate safeguarding of public resources from fraud, loss or abuse. This includes the design, implementation and maintenance of internal controls relevant to these objectives.

Our audit involved performing procedures to obtain evidence about the District's uses of public resources, compliance with state laws and regulations and its own policies and procedures, and internal controls over such matters.

In keeping with general auditing practices, we do not examine every transaction, activity or area. Instead, the areas examined were those representing the highest risk of fraud, loss, abuse, or noncompliance. The following areas were examined during this audit period:

- Financial condition
- Bond covenants

## INFORMATION ABOUT THE DISTRICT

The Greater Wenatchee Regional Events Center Public Facilities District was created in June 2006 through an interlocal agreement. The interlocal included the following entities: Chelan and Douglas counties, the cities of Wenatchee, East Wenatchee, Chelan, Cashmere, Entiat, Rock Island and the town of Waterville. The District was formed for the purpose of developing a regional center in the city of Wenatchee called the Town Toyota Center. The creation of the District allowed for the receipt of 0.033 percent of state sales tax dollars to fund the District.

An appointed, seven-member Board of Directors governs the District. Board Members are appointed by their respective entities. The District has eight full-time employees and 65 on-call hourly employees. For fiscal year 2013, the District's operating budget was approximately \$6 million.
