Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

City of Goldendale Klickitat County January 1, 2012 through December 31, 2013

Mayor and City Council City of Goldendale Goldendale, Washington

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the City of Goldendale, Klickitat County, Washington, as of and for the years ended December 31, 2013 and 2012, and the related notes to the financial statements, which collectively comprise the City's financial statements, and have issued our report thereon dated October 9, 2014.

We issued an unmodified opinion on the fair presentation of the City's financial statements in accordance with its regulatory basis of accounting. We issued an adverse opinion on the fair presentation with regard to accounting principles generally accepted in the United States of America (GAAP) because the financial statements are prepared by the City using accounting practices prescribed or permitted by Washington State statutes and the State Auditor's *Budgeting, Accounting and Reporting System* (BARS) manual described in Note 1, which is a basis of accounting other than GAAP. The effects on the financial statements of the variances between the basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material

INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our audits of the financial statements, we considered the City's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to

prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the City's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

COMPLIANCE AND OTHER MATTERS

As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of the City's compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion.

The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

PURPOSE OF THIS REPORT

Twy X Kelley

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control and compliance. Accordingly, this communication is not suitable for any other purpose. However, this report is a matter of public record and its distribution is not limited. It also serves to disseminate information to the public as a reporting tool to help citizens assess government operations.

TROY KELLEY STATE AUDITOR

October 9, 2014

Independent Auditor's Report on Financial Statements

City of Goldendale Klickitat County January 1, 2012 through December 31, 2013

Mayor and City Council City of Goldendale Goldendale, Washington

REPORT ON THE FINANCIAL STATEMENTS

We have audited the accompanying financial statements of the City of Goldendale, Klickitat County, Washington, for the years ended December 31, 2013 and 2012, and the related notes to the financial statements, which collectively comprise the City's financial statements, as listed on page 9.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions of Washington State statutes and the *Budgeting, Accounting and Reporting System* (BARS) manual prescribed by the State Auditor described in Note 1. This includes determining that the basis of accounting is acceptable for the presentation of the financial statements in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the City's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness

of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Unmodified Opinion on Regulatory Basis of Accounting (BARS Manual)

As described in Note 1, the City of Goldendale has prepared these financial statements using accounting practices prescribed or permitted by Washington State statutes and the State Auditor's *Budgeting, Accounting and Reporting System* (BARS) manual. Those accounting practices differ from accounting principles generally accepted in the United States of America (GAAP). The differences in these accounting practices are also described in Note 1.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position and results of operations of the City of Goldendale, for the years ended December 31, 2013 and 2012, on the basis of accounting described in Note 1.

Basis for Adverse Opinion on U.S. GAAP

Auditing standards issued by the American Institute of Certified Public Accountants (AICPA) require auditors to formally acknowledge when governments do not prepare their financial statements, intended for general use, in accordance with GAAP. The effects on the financial statements of the variances between GAAP and the accounting practices the City used, as described in Note 1, although not reasonably determinable, are presumed to be material. As a result, we are required to issue an adverse opinion on whether the financial statements are presented fairly, in all material respects, in accordance with GAAP.

Adverse Opinion on U.S. GAAP

The financial statements referred to above were not intended to, and in our opinion they do not, present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the City of Goldendale, as of December 31, 2013 and 2012, or the changes in financial position or cash flows for the years then ended, due to the significance of the matter discussed in the above "Basis for Adverse Opinion on U.S. GAAP" paragraph.

Other Matters

Supplementary and Other Information

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying Schedules of Liabilities are presented for purposes of additional analysis as required by the prescribed BARS manual. These schedules are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the

United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

OTHER REPORTING REQUIRED BY GOVERNMENT AUDITING STANDARDS

In accordance with *Government Auditing Standards*, we have also issued our report dated October 9, 2014 on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

MCAG NO. 0479

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The City of Goldendale reports financial activity using the revenue and expenditure classifications, statements, and schedules contained in the Cash Basis Budgeting, Accounting and Reporting System (BARS) manual. This basis of accounting and reporting is another comprehensive basis of accounting (OCBOA) that is prescribed by the State Auditor's Office under the authority of Washington State law, Chapter 43.09 RCW.

The City of Goldendale was incorporated on November 15, 1879 and operates under the laws of the state of Washington applicable to a code city with a Mayor-Council form of government. The City of Goldendale is a general purpose government and provides public safety, fire prevention, street maintenance, storm drainage, parks and recreation, economic development, tourism, water and sewer, health and social services and general administrative services. The City of Goldendale uses single-entry, cash basis accounting which is a departure from generally accepted accounting principles (GAAP).

a. Fund Accounting

The accounts of the City of Goldendale are organized on the basis of funds, each of which is considered a separate accounting entity. Each fund is accounted for with a separate set of single-entry accounts that comprises its cash, investments, revenues and expenditures, as appropriate. The City of Goldendale's resources are allocated to and accounted for in individual funds depending on their intended purpose. The following are the fund types used by the City of Goldendale:

GOVERNMENTAL FUND TYPES:

General (Current Expense) Fund

This fund is the primary operating fund of the City of Goldendale. It accounts for all financial resources except those required or elected to be accounted for in another fund.

Special Revenue Funds

These funds account for specific revenue sources that are restricted or committed to expenditures for specified purposes of the City of Goldendale.

MCAG NO. 0479

Debt Service Funds

These funds account for the financial resources that are restricted, committed, or assigned to expenditures for principal, interest and related costs on general long-term debt.

Capital Projects Funds

These funds account for financial resources which are restricted, committed, or assigned for the acquisition or construction of capital facilities or other capital assets.

PROPRIETARY FUND TYPES:

Enterprise Funds

These funds account for operations that provide goods or services to the general public and are supported primarily through user charges.

Internal Service Funds

These funds account for operations that provide goods or services to other departments or funds of the City of Goldendale on a cost-reimbursement basis.

FIDUCIARY FUND TYPES:

Fiduciary funds account for assets held by the City of Goldendale in a trustee capacity or as an agent on behalf of others.

Agency Funds

These funds are used to account assets that City of Goldendale holds for others in an agency capacity.

b. Basis of Accounting

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Revenues are recognized only when cash is received and expenditures are recognized when paid, including those properly chargeable against the report year(s) budget appropriations as required by state law.

MCAG NO. 0479

In accordance with state law the City also recognizes expenditures paid during twenty days after the close of the fiscal year for claims incurred during the previous period.

Purchases of capital assets are expensed during the year of acquisition. There is no capitalization of capital assets, nor allocation of depreciation expense. Inventory is expensed when purchased.

The basis of accounting described above represents a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

c. Budgets

The City of Goldendale adopts annual appropriated budgets for all funds. These budgets are appropriated at the fund level. The budget constitutes the legal authority for expenditures at that level. Annual appropriations for these funds lapse at the fiscal year end.

Annual appropriated budgets are adopted on the same basis of accounting as used for financial reporting.

The appropriated and actual expenditures for the legally adopted budgets for 2012 were as follows:

	Fi	nal Appropriated	Actual	
Fund/Department		Amounts	Expenditures	Variance
Current Expense	\$	3,107,850.00	\$ 3,047,044.39	\$ 60,805.61
City Street	\$	996,000.00	\$ 992,118.11	\$ 3,881.89
CJ Programs	\$	3,500.00	\$ 486.73	\$ 3,013.27
Drug Enf./Invest. Fund	\$	13,000.00	\$ 0.00	\$ 13,000.00
Tourism Fund	\$	38,000.00	\$ 35,936.66	\$ 2,063.34
Water/Sewer Fund	\$	2,005,050.00	\$ 2,003,614.21	\$ 1,435.79
Public Works Admin.	\$	250,000.00	\$ 226,565.18	\$ 23,434.82
Agency Suspense	\$	50,000.00	\$ 24,038.24	\$ 25,961.76
TOTAL	\$	6,463,400.00	\$ 6,329,803.52	\$ 133,596.48

MCAG NO. 0479

The appropriated and actual expenditures for the legally adopted budgets for 2013 were as follows:

	Final Appro	oriated	Actual		
Fund/Department	Amoun	ts	Expenditures		Variance
Current Expense	\$ 3,123,40	0.00 \$	3,097,619.00	\$	25,781.00
City Street	\$ 1,236,00	0.00 \$	1,212,210.00	\$	23,790.00
CJ Programs	\$ 3,50	0.00 \$	0.00	\$	3,500.00
Drug Enf./Invest. Fund	\$ 13,00	0.00 \$	768.00	\$	12,232.00
Tourism Fund	\$ 46,00	0.00 \$	44,207.00	\$	1,793.00
Water/Sewer Fund	\$ 3,263,55	0.00 \$	2,132,391.00	\$1	,131,159.00
Public Works Admin.	\$ 250,00	0.00 \$	249,585.00	\$	415.00
Agency Suspense	\$ 30,00	0.00 \$	28,249.00	\$	1,751.00
TOTAL	\$ 7,965,45	50.00 \$	6,765,029.00	\$1	,200,421.00

Budgeted amounts are authorized to be transferred between (departments within any fund/object classes within departments); however, any revisions that alter the total expenditures of a fund, or that affect the number of authorized employee positions, salary ranges, hours, or other conditions of employment must be approved by the City's legislative body.

d. Cash

It is the City's policy to invest all temporary cash surpluses. The amount is included in the cash and investments shown on the statements of fund resources and uses arising from cash transactions. The interest on these investments is prorated to the various funds.

e. Deposits

The City of Goldendale deposits are covered by (the Federal Deposit Insurance Corporation and the Washington Public Deposit Protection Commission).

f. Investments. See (Investment Note No. 1).

g. Derivatives and Similar Transactions

None

MCAG NO. 0479

h. <u>Capital Assets</u>

Capital assets are long-lived assets of the City of Goldendale and are recorded as expenditures when purchased.

i. Compensated Absences

Vacation leave may be accumulated up to 240 days and is payable upon separation or retirement.

Sick leave may be accumulated <u>up to 960 hours</u>). Upon separation or retirement employees do receive a 25% payment for unused sick leave.

j. <u>Long-Term Debt</u> See (<u>Long-Term Debt Note No. 4</u>).

k. Other Financing Sources or Uses

The City's *Other Financing Sources or Uses* consist of Interfund Transfers to accomplish the following actions including: financing of the ongoing operations of the City Streets and Parks Funds, to transfers monies received by the optional .5% sales for the operations of the City Street Fund.

I. Risk Management

The City of Goldendale is a member of the Washington Cities Insurance Authority (WCIA).

Utilizing Chapter 48.62 RCW (self-insurance regulation) and Chapter 39.34 RCW (Interlocal Cooperation Act), nine cities originally formed WCIA on January 1, 1981. WCIA was created for the purpose of providing a pooling mechanism for jointly purchasing insurance, jointly self-insuring, and / or jointly contracting for risk management services. WCIA has a total of 162 Members.

New members initially contract for a three-year term, and thereafter automatically renew on an annual basis. A one-year withdrawal notice is required before membership can be terminated. Termination does not relieve a former member from its unresolved loss history incurred during membership.

Liability coverage is written on an occurrence basis, without deductibles. Coverage includes general, automobile, police, public officials' errors or omissions, stop gap, and employee benefits liability. Limits are \$4 million per occurrence self insured layer, and \$16 million per occurrence in the re-insured excess layer. The excess layer is insured by the purchase of reinsurance and insurance and is subject to aggregate limits. Total limits are \$20 million per

MCAG NO. 0479

occurrence subject to aggregate sublimits in the excess layers. The Board of Directors determines the limits and terms of coverage annually.

Insurance coverage for property, automobile physical damage, fidelity, inland marine, and boiler and machinery are purchased on a group basis. Various deductibles apply by type of coverage. Property insurance and auto physical damage are self-funded from the members' deductible to \$750,000, for all perils other than flood and earthquake, and insured above that amount by the purchase of insurance.

In-house services include risk management consultation, loss control field services, claims and litigation administration, and loss analyses. WCIA contracts for the claims investigation consultants for personnel issues and land use problems, insurance brokerage, and lobbyist services.

WCIA is fully funded by its members, who make annual assessments on a prospectively rated basis, as determined by an outside, independent actuary. The assessment covers loss, loss adjustment, and administrative expenses. As outlined in the interlocal, WCIA retains the right to additionally assess the membership for any funding shortfall.

An investment committee, using investment brokers, produces additional revenue by investment of WCIA's assets in financial instruments which comply with all State guidelines.

A Board of Directors governs WCIA, which is comprised of one designated representative from each member. The Board elects an Executive Committee and appoints a Treasurer to provide general policy direction for the organization. The WCIA Executive Director reports to the Executive Committee and is responsible for conducting the day to day operations of WCIA.

NOTE 2 - PROPERTY TAX

The county treasurer acts as an agent to collect property tax levied in the county for all taxing authorities. Collections are distributed (at/after) the end of each month.

Property tax revenues are recognized when cash is received by City of Goldendale. Delinquent taxes are considered fully collectible because a lien affixes to the property after tax is levied.

The City's regular levy for the year 2012 was \$3.1000000 per \$1,000 on an assessed valuation of \$284,945,680 for a total regular levy of \$883,331.61.

MCAG NO. 0479

The City's regular levy for the year 2013 was \$3.1000000 per \$1,000 on an assessed valuation of \$290,402,593 for a total regular levy of \$892,899.01.

MCAG NO. 0479

NOTE 5 - PENSION PLANS

Substantially all the City's full-time and qualifying part-time employees participate in PERS I, PERS II, LEOFF I and LEOFF II administered by the Washington State Department of Retirement Systems, under cost-sharing multiple-employer public employee defined benefit and defined contribution retirement plans. Actuarial information is on a system-wide basis and is not considered pertinent to the City's10 financial statements. Contributions to the systems by both employee and employer are based upon gross wages covered by plan benefits.

Historical trend or other information regarding each plan is presented in the Washington State Department of Retirement Systems annual financial report. A copy of this report may be obtained by writing to:

Department of Retirement Systems Communications Unit PO Box 48380 Olympia, WA 98504-8380

NOTE 6 - OTHER DISCLOSURES

Litigation

The City of Goldendale received a Standard Tort Claim on or about February 4, 2011. Subsequently, Kenneth J. Goodpaster and Margorie M. Goodpaster filed a lawsuit against the City on September 15, 2011. Plaintiffs Eldon H. Anderson, Kenneth L. Anderson, Myrtle A. McDermid, and Carol L. Gillman alleged asserted claims against the City in a pleading filed March 26, 2012. Both claims allege that the claimants' property has been damaged as a result of activities by the City occurring on or about October 4, 2010, during which the City allegedly entered the claimants' property and excavated accumulated silt and sediment adjacent to a City stormwater outfall pipe. Both claimants allege damages in the sum of \$150,000, or more, for a total claim of \$300,000 or more.

The City has filed a counterclaim seeking to quiet title to certain real property owned by some or all of the plaintiffs.

City's counsel is currently seeking to finalize settlement negotiations with the plaintiffs. In the event a settlement cannot be obtained, the claims will be vigorously contested. We are unable to evaluate the likelihood of an unfavorable outcome or the range of possible loss.

MCAG NO. 0479

In the opinion of management, the City's insurance policies are adequate to pay all known or pending claims.

The City has been working on funding for several large infrastructure projects for street improvement, water and sewer systems:

- 1. In 2012, through the Washington Department of Health State Revolving Fund, the City was awarded a loan in the amount of \$1,349,663 for the replacement of our lower water reservoir. Due to an extended environmental review, this project was not bid out until May of 2014.
- 2. Also in 2012, through the Public Works Board and the Washington Department of Ecology, the City was awarded two loans in the amounts of \$256,000 and \$2,353,000, respectively. In accordance with section S11 of the City's NPDES Permit from the Department of Ecology, the replacement of the collection system within the City's flood plain will meet the requirement of this permit. This project is the number one priority to control infiltration and inflow into the City's sewer collection system and will be known as the Little Klickitat River Sewer Collection System Improvement Project. Initial preliminary planning and environmental began in 2012 and continued through 2013. Due to a recommended realignment of the replacement sewer main line, several easements were required. The realignment should result in better access to the manholes and lower construction costs. Work on obtaining the required easements and an extended environmental review will continue through 2013 and 2014. Construction is not planned until 2015.
- 3. The City is waiting on approvals from several outside funders for a grant/loan package to construct a comprehensive neighborhood improvement project on the west side of the City. The most recent funding scenario is a funding package that will include a CDBG grant, a General Obligation Bond, a grant/loan package from Rural Development and City matching money. Total project costs are estimated to be about \$2.5 million dollars.
- 4. In 2013, the City was awarded a 90% grant from the Transportation Improvement Board in the amount of approximately \$660,000 to reconstruction the 3rd and King Street interchange. Preparation of plans and specifications are underway. Bidding and construction of this project is planned for 2015.
- 5. A loan package for an energy savings project was awarded to the City for the Baker Street property that included a 4-building complex of industrial buildings. The City was able to enter into a purchase and sale agreement for two of the four buildings. Currently, the City is bidding out the energy savings work for one of

MCAG NO. 0479

the two buildings that are part of the purchase and sale agreement. The closing is scheduled to occur in July or August of 2014.

6. A grant package in the amount of \$500,000 for an energy savings project was awarded to the City in 2014 for the property donated to the City in December of 2012. The building is now referred to as the Simcoe Building. The City is currently working on ways to best utilize this asset.

In addition and in 2012, the City acquired two real estate properties.

- The first property acquired is known as the Baker Street properties and was the former site of Kushlan Products, Inc. It is located adjacent to the City's Public Works Shop Yard.
- The second property was donated to the City to be used for community purposes. It was formerly a nursing home and is referred to as the Simcoe building.

The City has a commitment to pay for post employment benefits for employees that belong to LEOFF I. These benefits include medical, prescription, dental, vision and long-term care. In 2012, four (4) retirees received benefits totaling \$53,090. In 2013, four (4) retirees received benefits totaling \$49,475.41. One (1) of the retiree's passed away late in 2013.

ABOUT THE STATE AUDITOR'S OFFICE

The State Auditor's Office is established in the state's Constitution and is part of the executive branch of state government. The State Auditor is elected by the citizens of Washington and serves four-year terms.

We work with our audit clients and citizens to achieve our vision of government that works for citizens, by helping governments work better, cost less, deliver higher value, and earn greater public trust.

In fulfilling our mission to hold state and local governments accountable for the use of public resources, we also hold ourselves accountable by continually improving our audit quality and operational efficiency and developing highly engaged and committed employees.

As an elected agency, the State Auditor's Office has the independence necessary to objectively perform audits and investigations. Our audits are designed to comply with professional standards as well as to satisfy the requirements of federal, state, and local laws.

Our audits look at financial information and compliance with state, federal and local laws on the part of all local governments, including schools, and all state agencies, including institutions of higher education. In addition, we conduct performance audits of state agencies and local governments as well as <u>fraud</u>, state <u>whistleblower</u> and <u>citizen hotline</u> investigations.

The results of our work are widely distributed through a variety of reports, which are available on our <u>website</u> and through our free, electronic <u>subscription</u> service.

We take our role as partners in accountability seriously, and provide training and technical assistance to governments, and have an extensive quality assurance program.
