AUDIT SUMMARY

Results in brief

In most areas we audited, the District's operations complied with applicable requirements and provided adequate safeguarding of public resources. The District also complied with state laws and regulations and its own policies and procedures in most areas we examined.

However, we noted certain matters that we communicated to the District management in a letter dated May 18, 2016 related to controls over imprest fund disbursements. We appreciate the District's commitment to resolving those matters.

About the audit

This report contains the results of our independent accountability audit of Toledo School District No. 237 from September 1, 2013 through August 31, 2015.

Management is responsible for ensuring compliance and adequate safeguarding of public resources from fraud, loss or abuse. This includes the design, implementation and maintenance of internal controls relevant to these objectives.

Our audit involved performing procedures to obtain evidence about the District's uses of public resources, compliance with state laws and regulations and its own policies and procedures, and internal controls over such matters.

In keeping with general auditing practices, we do not examine every transaction, activity or area. Instead, the areas examined were those representing the highest risk of fraud, loss, abuse, or noncompliance. The following areas were examined during this audit period:

- Open public meetings
- General revenues and expenditures
- Significant internal controls – cash receipting, payroll, and disbursements
- Self insurance
- Staff mix
- Cash receipting – cafeteria/lunch
- Credit card disbursements
- Petty cash and imprest funds
