

3.10 **Compliance**
3.10.4 **Public Works Records**

3.10.4.20 The first class cities with population of 150,000 or less, second class cities, and code cities are allowed to keep the records only of public works projects in excess of \$5,000 and not let by contract. Note that the \$5,000 refers to entire project and not just the current year portion. (RCW [35.23.352\(4\)](#), RCW [35.22.620\(4\)](#) and RCW [35A.40.210](#))

Local governments may use different forms as long as required information is available.
