Audit Summary

Mason County Cemetery District No. 1 October 10, 2012

ABOUT THE AUDIT

This report contains the results of our independent accountability audit of Mason County Cemetery District No. 1 from January 1, 2010 through December 31, 2011.

The objective of our audit was to evaluate the adequacy of the District's internal controls to safeguard public resources and the District's compliance with state law and its own policies. In keeping with general auditing practices, we did not review every aspect of the District's internal controls and compliance. Instead, our review focused on areas representing the highest risk of misappropriation, misuse or noncompliance.

Our report is addressed to the governing body and management of the District. However, this report is a matter of public record and its distribution is not limited.

RESULTS

In the areas we examined, the District's internal controls were adequate to safeguard public assets. The District also complied with state laws and its own policies in the areas we examined.
