AUDIT SUMMARY

Results in brief

In the areas we audited, Authority operations complied with applicable requirements and provided adequate safeguarding of public resources. The Authority also complied with state laws and regulations and its own policies and procedures in the areas we examined.

About the audit

This report contains the results of our independent accountability audit of the Seattle Chinatown International District Preservation and Development Authority from January 1, 2015 through December 31, 2015.

Management is responsible for ensuring compliance and adequate safeguarding of public resources from fraud, loss or abuse. This includes the design, implementation and maintenance of internal controls relevant to these objectives.

Our audit involved performing procedures to obtain evidence about the Authority's uses of public resources, compliance with state laws and regulations and its own policies and procedures, and internal controls over such matters.

In keeping with general auditing practices, we do not examine every transaction, activity or area. Instead, the areas examined were those representing the highest risk of fraud, loss, abuse, or noncompliance. The following areas were examined during this audit period:

- Payroll process and overtime
- Delinquent accounts
- Donations/fundraising
