About the audit

This report contains the results of our independent accountability audit of Tahoma School District No. 409 from September 1, 2018 through August 31, 2019.

Management is responsible for ensuring compliance and adequate safeguarding of public resources from fraud, loss or abuse. This includes the design, implementation and maintenance of internal controls relevant to these objectives.

This audit was conducted under the authority of RCW 43.09.260, which requires the Office of the State Auditor to examine the financial affairs of all local governments. Our audit involved obtaining evidence about the District's uses of public resources, compliance with state laws and regulations and its own policies and procedures, and internal controls over such matters. The procedures performed were based on our assessment of risks in the areas we examined.

Based on our risk assessment for the year ended August 31, 2019, the areas examined were those representing the highest risk of fraud, loss, abuse, or noncompliance. We examined the following areas during this audit period:

- Accounts payable – electronic funds transfers, general disbursements, credit cards, and travel expenditures
- Local revenue sub-fund
- Use of restricted funds – professional learning funds
- Payroll – gross wages
- Financial condition and fiscal sustainability
- Open public meetings – documentation of minutes, executive sessions and special meetings
