Report on Passenger Facility Charges

Please find attached our report on the Pullman-Moscow Regional Airport's compliance with requirements applicable to its passenger facility charge program.

In addition to this work, we look at other areas of our audit client's financial condition and operations for compliance with state laws and regulations. The results of those audits will be included in separately issued accountability and financial statement reports.

Sincerely,

Pat McCarthy
State Auditor
Olympia, WA

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO THE PASSENGER FACILITY CHARGE PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE

Pullman-Moscow Regional Airport January 1, 2018 through December 31, 2018

Board of Directors
Pullman-Moscow Regional Airport
Pullman, Washington

REPORT ON COMPLIANCE FOR PASSENGER FACILITY CHARGES

We have audited the compliance of the Pullman-Moscow Regional Airport, with the compliance requirements described in the *Passenger Facility Charge Audit Guide for Public Agencies* (Guide) issued by the Federal Aviation Administration for its passenger facility charge program for the year ended December 31, 2018.

Management's Responsibility

Management is responsible for compliance with the requirements of laws and regulations applicable to its passenger facility charge program.

Auditor's Responsibility

Our responsibility is to express an opinion on the Airport's compliance based on our audit. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to the financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the Guide. Those standards and the Guide require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the compliance requirements referred to above that could have a direct and material effect on the passenger facility charge program occurred. An audit includes examining, on a test basis, evidence about the Airport's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of the Airport's compliance with those requirements.

Opinion on Compliance

In our opinion, the Pullman-Moscow Regional Airport complied, in all material respects, with the requirements referred to above that are applicable to its passenger facility charge program for the year ended December 31, 2018.

REPORT ON INTERNAL CONTROL OVER COMPLIANCE

Management of the Airport is responsible for establishing and maintaining effective internal control over compliance with requirements of laws and regulations applicable to its passenger facility charge program. In planning and performing our audit, we considered the Airport's internal control over compliance with the requirements that could have a direct and material effect on the passenger facility charge program in order to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance and to test and report on internal control over compliance in accordance with the Guide, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Airport's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of the passenger facility charge program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of the passenger facility charge program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of the passenger facility charge program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses may exist that have not been identified.

Purpose of this Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Guide. Accordingly, this report is not suitable for any other purpose. However, this report is a matter of public record and its distribution is not limited. It also serves to disseminate information to the public as a reporting tool to help citizens assess government operations.

SCHEDULE OF PASSENGER FACILITY CHARGES

REPORT ON THE FINANCIAL STATEMENTS

We have audited the financial statements of the Pullman-Moscow Regional Airport, as of and for the year ended December 31, 2018, and the related notes to the financial statements, which collectively comprise the Airport's basic financial statements, and have issued our report thereon dated July 2, 2020. That report contained a qualified opinion on those financial statements because the Airport declined to present a statement of cash flows for the year ended December 31, 2018.

Other Matters

Supplementary and Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Airport's basic financial statements as a whole. The accompanying Schedule of Passenger Facility Charges Collected, Held and Used is presented for purposes of additional analysis as required by the Guide and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

OTHER REPORTING REQUIRED BY GOVERNMENT AUDITING STANDARDS

In accordance with *Government Auditing Standards*, we have also issued our report dated July 2, 2020 on our consideration of the Airport's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Airport's internal control over financial reporting and compliance.

Schedule of Passenger Facility Charges Collected, Held and Used – 2018

Notes to the Schedule of Passenger Facility Charges Collected, Held and Used – 2018

Pullman-Moscow Regional Airport
Schedule of Passenger Facility Charges Collected, Held and Used

January 1, 2018 - December 31, 2018

	Quarter Ending			
	March 2018	June 2018	September 2018	December 2018
Unexpended/(Overexpended) passenger facility charges and interest, beginning of period	\$ (4,597,846)	\$ (4,802,340)	\$ (5,106,698)	\$ (5,826,993)
Passenger facility charges revenue	57,700	63,241	48,035	101,650
Interest earned	0	0	0	0
	(4,540,146)	(4,739,099)	(5,058,663)	(5,725,343)
Expenses/Expenditures	262,194	367,599	768,330	812,197
Unexpended/(Overexpended) passenger facility charges and interest, end of period	\$ (4,802,340)	\$ (5,106,698)	\$ (5,826,993)	\$ (6,537,540)

The accompanying notes are an integral part of this schedule.

Pullman-Moscow Regional Airport

NOTES TO THE SCHEDULE OF PASSENGER FACILITY CHARGES COLLECTED, HELD AND USED

FOR THE YEAR ENDED DECEMBER 31, 2018

1. BASIS OF ACCOUNTING

This schedule is prepared generally on the same basis of accounting as the Airport's financial statements. However, while the Airport uses the full-accrual basis of accounting where revenues are recognized when earned and expenses are recognized when incurred, the PFC revenues and expenses presented are reported on a Cash Basis therfor, only those revenues received and expenses paid for the quarter are reported. PFC revenues not received or expenses incurred prior to the end of each quarter are not accrued and are reported as revenues and expenses of the subsequent reporting period.

2. PROGRAM COSTS

The amounts shown as current year revenues and expenses represent only the Passenger Facility Charges portion of the project costs. Entire project costs may be more than shown.

ABOUT THE STATE AUDITOR'S OFFICE

The State Auditor's Office is established in the state's Constitution and is part of the executive branch of state government. The State Auditor is elected by the citizens of Washington and serves four-year terms.

We work with our audit clients and citizens to achieve our vision of government that works for citizens, by helping governments work better, cost less, deliver higher value, and earn greater public trust.

In fulfilling our mission to hold state and local governments accountable for the use of public resources, we also hold ourselves accountable by continually improving our audit quality and operational efficiency and developing highly engaged and committed employees.

As an elected agency, the State Auditor's Office has the independence necessary to objectively perform audits and investigations. Our audits are designed to comply with professional standards as well as to satisfy the requirements of federal, state, and local laws.

Our audits look at financial information and compliance with state, federal and local laws on the part of all local governments, including schools, and all state agencies, including institutions of higher education. In addition, we conduct performance audits of state agencies and local governments as well as [fraud](#), state [whistleblower](#) and [citizen hotline](#) investigations.

The results of our work are widely distributed through a variety of reports, which are available on our [website](#) and through our free, electronic [subscription](#) service.

We take our role as partners in accountability seriously, and provide training and technical assistance to governments, and have an extensive quality assurance program.
