SECTION I – SUMMARY OF AUDITOR'S RESULTS

The results of our audit of the Housing Authority of the City of Othello are summarized below in accordance with Title 2 *U.S. Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

Financial Statements

We issued an unmodified opinion on the fair presentation of the basic financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP).

Internal Control over Financial Reporting:

- Significant Deficiencies: We reported no deficiencies in the design or operation of internal control over financial reporting that we consider to be significant deficiencies.
- *Material Weaknesses:* We identified no deficiencies that we consider to be material weaknesses.

We noted no instances of noncompliance that were material to the financial statements of the Housing Authority.

Federal Awards

Internal Control over Major Programs:

- Significant Deficiencies: We reported no deficiencies in the design or operation of internal control over major federal programs that we consider to be significant deficiencies.
- Material Weaknesses: We identified no deficiencies that we consider to be material weaknesses.

We issued an unmodified opinion on the Housing Authority's compliance with requirements applicable to its major federal program.

We reported no findings that are required to be disclosed in accordance with 2 CFR 200.516(a).

Identification of Major Federal Programs

The following program was selected as a major program in our audit of compliance in accordance with the Uniform Guidance.

<u>CFDA No.</u> <u>Program or Cluster Title</u> 10.415 Rural Rental Housing Loans

The dollar threshold used to distinguish between Type A and Type B programs, as prescribed by the Uniform Guidance, was \$750,000.

The Housing Authority qualified as a low-risk auditee under the Uniform Guidance.

SECTION II - FINANCIAL STATEMENT FINDINGS

None reported.

SECTION III – FEDERAL AWARD FINDINGS AND QUESTIONED COSTS

INDEPENDENT AUDITOR'S REPORT

Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

Housing Authority of the City of Othello July 1, 2019 through June 30, 2020

Board of Directors Housing Authority of the City of Othello Othello, Washington

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the Housing Authority of the City of Othello, as of and for the year ended June 30, 2020, and the related notes to the financial statements, which collectively comprise the Housing Authority's basic financial statements, and have issued our report thereon dated March 12, 2021.

As discussed in Note 8 to the 2020 financial statements, the full extent of the COVID-19 pandemic's direct or indirect financial impact on the Housing Authority is unknown.

INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our audit of the financial statements, we considered the Housing Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Housing Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Housing Authority's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Housing Authority's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination

of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

COMPLIANCE AND OTHER MATTERS

As part of obtaining reasonable assurance about whether the Housing Authority's financial statements are free from material misstatement, we performed tests of the Housing Authority's compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion.

The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

PURPOSE OF THIS REPORT

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Housing Authority's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Housing Authority's internal control and compliance. Accordingly, this communication is not suitable for any other purpose. However, this report is a matter of public record and its distribution is not limited. It also serves to disseminate information to the public as a reporting tool to help citizens assess government operations.

INDEPENDENT AUDITOR'S REPORT

Report on Compliance for Each Major Federal Program and Report on Internal Control over Compliance in Accordance with the Uniform Guidance

Housing Authority of the City of Othello July 1, 2019 through June 30, 2020

Board of Directors
Housing Authority of the City of Othello
Othello, Washington

REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM

We have audited the compliance of the Housing Authority of the City of Othello, with the types of compliance requirements described in the U.S. *Office of Management and Budget (OMB) Compliance Supplement* that could have a direct and material effect on each of the Housing Authority's major federal programs for the year ended June 30, 2020. The Housing Authority's major federal programs are identified in the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Housing Authority's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements

referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Housing Authority's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination on the Housing Authority's compliance.

Opinion on Each Major Federal Program

In our opinion, the Housing Authority complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2020.

REPORT ON INTERNAL CONTROL OVER COMPLIANCE

Management of the Housing Authority is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Housing Authority's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program in order to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Housing Authority's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of this Report

Tat Michy

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose. However, this report is a matter of public record and its distribution is not limited. It also serves to disseminate information to the public as a reporting tool to help citizens assess government operations.

INDEPENDENT AUDITOR'S REPORT

Report on the Financial Statements

Housing Authority of the City of Othello July 1, 2019 through June 30, 2020

Board of Directors Housing Authority of the City of Othello Othello, Washington

REPORT ON THE FINANCIAL STATEMENTS

We have audited the accompanying financial statements of the Housing Authority of the City of Othello, as of and for the year ended June 30, 2020, and the related notes to the financial statements, which collectively comprise the Housing Authority's basic financial statements as listed on page 15.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Housing Authority's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Housing Authority's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Housing Authority of the City of Othello, as of June 30, 2020, and the changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Matters of Emphasis

As discussed in Note 8 to the 2020 financial statements, the full extent of the COVID-19 pandemic's direct or indirect impact on the Housing Authority is unknown. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and required supplementary information listed on page 15 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain

Page 12

limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary and Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Housing Authority's basic financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). The accompanying Financial Data Schedule and HUD forms are supplementary information required by HUD. These schedules are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

OTHER REPORTING REQUIRED BY GOVERNMENT AUDITING STANDARDS

In accordance with *Government Auditing Standards*, we have also issued our report dated March 12, 2021 on our consideration of the Housing Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That

report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Housing Authority's internal control over financial reporting and compliance.

As management of the City of Othello Housing Authority (the Authority), we offer readers of the Authority's financial statements this narrative overview and analysis of the financial activities of the Authority for the year ended June 30, 2020.

FINANCIAL HIGHLIGHTS

- Overall financial position decreased approximately \$83,000 from the prior year.
- The Authority's assets and deferred outflows of resources, at fiscal year-end, exceeded liabilities and deferred inflows of resources by approximately \$4.15 million.
- Year-end cash and cash equivalents totaled approximately \$2.7 million of which about \$778,000 was restricted.
- Revenue increased from prior year by \$201,000. Rental revenue increased by \$9,000 and other income by \$10,000. Interest income decreased by \$5,000. Grants and Subsidies increased by \$194,000.
- The Authority paid approximately \$730,000 of Salaries, Wages, and Benefits.

OVERVIEW OF THE CITY OF OTHELLO HOUSING AUTHORITY

The City of Othello Housing Authority was created on April 11, 1966, to provide and promote safe and sanitary housing on a subsidized basis for low-income persons residing in Othello, Washington. The Authority was created pursuant to the authority of the Constitution and statutes of the state of Washington, including particularly, RCW Chapter 35.82.

An independent board of directors appointed by the City of Othello governs the Authority.

OVERVIEW OF THE CITY OF OTHELLO HOUSING AUTHORITY (CONTINUED)

The Authority's financial statements consist of two parts – management's discussion and analysis (this section) and the basic financial statements. The basic financial statements include the Authority-wide financial statements and notes to the financial statements.

- The Authority-wide financial statements provide information about the Authority's overall financial position, results of operations, and cash flows. These statements, which are presented on the accrual basis, consist of the statement of net position; the statement of revenues, expenses, and changes in fund net position; and the statement of cash flows.
- The basic financial statements also include a "Notes to Financial Statements" section that
 provides additional information that is essential to a full understanding of the data provided in
 the Authority-wide statements.

The Authority-wide statements report information about the Authority as a whole using accounting methods similar to those used by private sector companies. The statement of net position includes all of the Authority's assets, deferred outflows of resources, liabilities and deferred inflows of resources. All of the current year's revenues and expenses are accounted for in the statement of revenues, expenses, and changes in fund net position regardless of when cash is received or paid.

- The Authority-wide statements report the Authority's net position. Net position, the difference between the Authority's assets plus deferred outflows and liabilities and deferred inflows, is one way to measure the Authority's financial position.
- The Authority does not believe there are any restrictions, commitments, or other limitations that would significantly affect the availability of fund resources for future use.

OVERVIEW OF THE AUTHORITY-WIDE FINANCIAL POSITION AND OPERATIONS

The Authority's overall net position is summarized below.

	2020	2019
ASSETS		
Current Assets	\$ 2,746,351	\$ 2,553,264

Unrestricted	1,483,211	1,248,224
Total Net Position	\$ 4,154,298	\$ 4,237,349

The Authority's total assets at June 30, 2020, were \$16,004,948, a decrease of \$285,777 or 1.75% from June 30, 2019. The change in assets primarily consisted of an increase in cash and equivalents combined with a decrease in capital assets due to depreciation.

Cash and Cash Equivalents:

Total cash and cash equivalents increased by approximately \$192,000 as of June 30, 2020. This is primarily due to cash payments received from HUD and USDA.

Accounts Receivable:

Accounts receivable decreased by approximately \$4,000 as of June 30, 2020. This decrease is due to collections from Tenant Fraud receivables.

OVERVIEW OF THE AUTHORITY-WIDE FINANCIAL POSITION AND OPERATIONS (CONTINUED)

Land, Structures, and Equipment:

This table summarizes the changes in capital assets between fiscal years. See Note 3 in the notes to financial statements.

	2020	2020 2019	
Land	\$ 976,879	\$ 976,879	\$ -

Current Liabilities:

Accounts payable increased by approximately \$3,000 as of June 30, 2020. This is normal fluctuation for accounts payable.

Unearned revenue increased by approximately \$400 as of June 30, 2020. This is normal fluctuation for unearned revenue.

Accrued interest increased by approximately \$3,500 as of June 30, 2020. This is primarily due to advances on long-term borrowing.

Tenant Security Deposits increased by approximately \$7,000 as of June 30, 2020. This is due to increased tenant security deposits for all properties to cover damages from unit turn over.

Current maturities of long-term debt decreased by approximately \$9,000 as of June 30, 2020. This is due to timing of maturities on long-term debt.

Long-Term Debt:

The Authority repaid notes payable of approximately \$147,000, representing all long-term liability payments due by the Authority during the year. The outstanding debts of approximately \$11.3 million are secured by real estate or by first mortgages on real estate. For further information see Note 6 in the notes to the financial statements.

OVERVIEW OF THE AUTHORITY-WIDE FINANCIAL POSITION AND OPERATIONS (CONTINUED)

Net Pension Liability:

Net pension liability decreased by approximately \$64,000 as of June 30, 2020. This is due to changes in the proportionate share the Authority has in the cost-sharing multiple-employer public employee defined benefit retirement plan administered by the Washington State Department of Retirement Systems. For further information see Note 4 in the notes to the financial statements.

Deferred Outflows of Resources and Deferred Inflows of Resources:

Deferred outflows and inflows of resources are due to the Authority's participation in cost-sharing multiple-employer pension plans. See Note 4 in the notes to the financial statements.

Net Position:

The Authority's net position decreased by \$83,051 during the fiscal year ended June 30, 2020.

The details of the changes are explained in the results of operations section.

RESULTS OF OPERATIONS

Operating revenue of the Authority's activities is generated principally from rental revenue. In 2020, the Authority's operating revenue totaled \$1,524,269. Of this total, \$1,454,916 was from rental revenue. Operating expenses of the Authority's activities consist primarily of wages and depreciation. The total operating expenses were \$2,225,081, of which \$667,425 and \$624,560 were wages and depreciation, respectively. Nonoperating revenue consists primarily of subsidies. Total nonoperating revenue was \$718,656 of which \$709,694 was from subsidies.

The decrease in net position for the year ended June 30, 2020, was \$83,051 compared to a decrease of \$139,716 for the year ended June 30, 2019. Factors contributing to these results included:

Operating revenues increased by approximately \$20,500 primarily due to an increase in rental revenue and other income.

Nonoperating revenues increased by approximately \$181,000. This is primarily due to increased subsidies.

Wages and benefits increased by approximately \$104,000. This was primarily due to an increase in wages of approximately \$47,000 and an increase in employee benefits of approximately \$57,000 from the adjustments of participating in our cost-sharing multiple-employer pension plan.

Maintenance materials increased by approximately \$13,000. This is normal fluctuation for the Authority.

Taxes and Insurance increased by approximately \$4,000. This is normal fluctuation for the Authority.

Utilities decreased by approximately \$7,000. This is normal fluctuation for the Authority.

ECONOMIC OUTLOOK

The Othello Housing Authority is located within an economically stable, rural community and has year-round waiting lists with very low vacancy rates for all current projects except Lugar Seguro. Lugar Seguro is a seasonal farm worker project with daily or weekly leases. There continues to be a steady, high demand for seasonal farmworker housing in our agricultural area.

We continue to balance the challenges of an aging housing inventory, increased operating costs, and limited resources to increase our income by being mindful of the ever-changing local needs and conditions. Our diversified portfolio allows us to meet our mission of providing safe, decent, and affordable housing.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Reporting Entity

The City of Othello Housing Authority (the Authority) was created pursuant to the authority of the Constitution and statutes of the state of Washington, including particularly, RCW Chapter 35.82, and was organized on April 11, 1966, and, since the date of its organization, has continued to exist without interruption in the performance of its public corporate purposes. The Authority owns and/or manages a variety of low-income housing developments to provide and promote safe and sanitary housing on a subsidized basis for low-income persons residing in Othello, Washington. The Authority is governed by an independent board of directors appointed by the City of Othello and has no component units.

Use of **Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, deferred outflows of resources, liabilities and deferred inflows of resources and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Basis of Accounting

The accounting records are maintained in accordance with Financial and Accounting Handbooks (RHA 7510.1 and 7420.6) prescribed by the Department of Housing and Urban Development (HUD), applicable rules prescribed by the Department of Agriculture, Farmers Home Administration (USDA-RD), and by the Washington State Auditor under the authority of Chapter 43.09 RCW.

In 1999, HUD mandated that all housing authorities perform financial reporting in accordance with accounting principles generally accepted in the United States of America.

All activities of the Authority are accounted for within a single proprietary (enterprise) fund. Proprietary funds are used to account for operations that are (a) financed and operated in a manner similar to private business enterprises where the intent of the governing body is that the cost (expenses, including depreciation) of providing goods and services to the general public on a continuing basis be financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenue earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Basis of Accounting (Continued)

The accounting and financial reporting treatment applied to the Authority is determined by its measurement focus and basis of accounting. The transactions of the Authority are accounted for on the economic resources measurement focus and full accrual basis of accounting. Accordingly, all assets, deferred outflows of resources, liabilities and deferred inflows of resources associated with the operations are included on the statement of net position and revenue is recognized when earned, if measurable, and expenses are recognized when incurred, if measurable, and reported on the statement of revenues, expenditures and changes in fund net position.

Budgeting

The Authority follows the guidelines set forth in the *Low Rent Housing Financial Management Handbook* (RHA 7475.1) issued by HUD.

<u>Assets, Deferred Outflows of Resources, Liabilities and Deferred Inflows of Resources</u>

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Authority considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

It is the Authority's policy to invest all temporary cash surpluses. At June 30, 2020, the Authority was holding \$791,368 in short-term residual investments of surplus cash.

Restricted Cash

Restricted cash is comprised of security deposits, replacement reserves, and operating reserves.

Temporary Investments

The Authority considers all investments purchased with an original maturity of greater than three months to be temporary investments. As of June 30, 2020, the Authority did not have any temporary investments.

Receivables

Tenant accounts receivable consist of amounts owed for rent and miscellaneous other charges as noted on the rental register. Receivables are carried at original amount less an estimate made for doubtful receivables based on a review of all outstanding amounts on a periodic basis. Management determines the allowance for doubtful accounts by identifying troubled accounts and by using historical experience applied to an aging of accounts. In the opinion of management, an allowance of \$4 was necessary at June 30, 2020. Management regularly evaluates the customer balances to determine collectability. A receivable is considered to be past due when payment is extended beyond the stated agreement. Receivables are written off when deemed uncollectible. Recoveries of receivables previously written off are recorded when received.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

<u>Assets, Deferred Outflows of Resources, Liabilities and Deferred Inflows of</u> Resources (Continued)

Inventories

Inventories are valued at the lower of cost (first-in, first-out) or net realizable value. Maintenance supplies and office supplies are generally used within a relatively short period of time and are, therefore, expensed when purchased. An excess maintenance material inventory is maintained and updated annually on a consumption method.

Capital Assets and Depreciation

See Note 3.

<u>Deferred Outflows of Resources and Deferred Inflows of Resources</u>

A deferred outflow of resources represents a consumption of net position that applies to a future period and will not be recognized as an outflow of resources (expense) until that time. A deferred inflow of resources represents an acquisition of net position that applies to a future period and will not be recognized as an inflow of resources (revenue) until that time.

Accounts Payable

Accounts payable to contractors and contract retentions consist of amounts owing on Capital Fund and development projects.

Tenant security deposits are offset by the security deposit fund.

Other accounts payable consist of accrued short-term monthly payables.

Unearned Revenue

Consists of amounts received from tenants and others, which are properly recognized in future periods. At times, the Authority contracts with farm labor employers to reserve beds at Lugar Seguro during peak times. These contracts require prepayments up to a year in advance. If the employer does not use the beds, the payments are nonrefundable unless the Authority is able to lease the units to someone else. Unearned revenue of \$22,002 (related to these contracts) at June 30, 2020, will be earned by November 15, 2020. The remaining amount in unearned revenue will be earned when consumed by tenants.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

<u>Assets, Deferred Outflows of Resources, Liabilities and Deferred Inflows of</u> Resources (Continued)

Accrued Compensated Absences

The Authority records all accumulated unpaid employee leave benefits such as unused vacation. Vacation pay, which may be accumulated up to 40 days for nonexempt and 30 days for exempt employees is payable upon resignation, retirement, or death. Sick leave may accumulate up to 180 days and may be cashed out at 25% of the accumulated accrual upon resignation, retirement, or death. Vacation accrues at various rates based on length of employment. Sick pay accrues at one day per month of employment for full-time employees. In addition, employees are allowed two personal days annually, which are not allowed to accumulate, nor be cashed out. Regular part-time employees accrue compensated absences on a pro rata basis.

Other Accrued Liabilities

These accounts consist of accrued employee withholding and employee benefits.

Long-Term Debt

According to Public Housing Authority (PHA) Circular #00-08 published by HUD and issued June 14, 2000, permanent notes have been reclassified as a capital contributions. The Authority does not continue to make entries to record interest or annual contribution payments for this reclassified debt. See Note 6 for more information on long-term debt.

Restricted Net Position

Includes HUD security deposit funds, tenant deposits, and required replacement reserves.

Net Position

Net position is displayed in three components as follows:

<u>Net Investment in Capital Assets</u> – This component of net positon consists of all capital assets, net of accumulated depreciation, and capital-related deferred outflows of resources reduced by the balances of any capital-related borrowings and deferred inflows of resources.

<u>Restricted Net Position</u> – This component of net position consists of restricted assets when constraints are placed on the asset by creditors, grantors, contributors, laws, regulations, etc. reduced by related liabilities and deferred inflows of resources.

<u>Unrestricted Net Position</u> – This component of net positon consists of resources that do not meet the definition of net investment capital assets or restricted net positon.

When both restricted and unrestricted resources are available for use, it is the Authority's policy to use restricted resources first, and then unrestricted resources as they are needed.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Operating Revenue and Expenses

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services in connection with a proprietary fund's principal ongoing operation. The principal operating revenue is charges to tenants for rentals and charges to other entities for management services. Operating expenses include the cost of personnel services, contractual services, taxes, utilities, insurance, other supplies and expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses. Operating subsidies and grants are reported as nonoperating revenues and are presented as cash flows from noncapital financing activities in the statement of cash flows.

Donations and Nonexchange Transactions

Donations and nonexchange transactions are recorded as capital contribution revenue based on the standards established by GASB 33, *Accounting and Financial Reporting for Nonexchange Transactions*.

Pensions

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of all state sponsored pension plans and additions to/deductions from those plans' fiduciary net position have been determined on the same basis as they are reported by the Washington State Department of Retirement Systems. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

NOTE 2 DEPOSITS AND INVESTMENTS

Deposits

Cash on hand as of June 30, 2020, was \$501. The carrying amount of the Authority's deposits, including certificates of deposit, was \$1,917,140 and the bank balances was \$1,917,140.

Custodial credit risk for deposits is the risk that, in event of a failure of a depository financial institution, the Authority would not be able to recover deposits or will not be able to recover collateral securities that are in possession of an outside party. The District deposits and certificates of deposit are covered by federal depository insurance (FDIC) or by collateral held in a multiple financial institution collateral pool administered by the Washington Public Deposit Protection Commission (PDPC).

Investments

As required by state law, all investments of the Authority's funds are obligations of the U.S. government, deposits with Washington state banks and savings and loan institutions, or Washington State Local Government Investment Pool (LGIP).

As of June 30, 2020, the Authority had the following investments, which are measured at amortized cost:

Washington State Local Government Investment Pool (LGIP)

\$ 791.368

Investments in Local Government Investment Pool (LGIP)

The City of Othello Housing Authority is a participant in the LGIP was authorized by chapter 294, Laws of 1986, and is managed and operated by the Washington State Treasurer. The State Finance Committee is the administrator of the statute that created the pool and adopts rules. The State Treasurer is responsible for establishing the investment policy for the pool and reviews the policy annually and proposed changes are reviewed by the LGIP advisory Committee.

Investments in the LGIP, a qualified external investment pool, are reported at amortized cost which approximates fair value. The LGIP is an unrated external investment pool. The pool portfolio is invested in a manner that meets the maturity, quality, diversification and liquidity requirements set forth by the GASB 79 for external investments pools that elect to measure, for financial reporting purposes, investments at amortized cost. The LGIP does not have any legally binding guarantees of share values. The LGIP does not impose liquidity fees or redemption gates on participant withdrawals.

The Office of the State Treasurer prepares a stand-alone LGIP financial report. A copy of the report is available from the Office of the State Treasurer, PO Box 40200, Olympia, Washington 98504-0200, online at http://www.tre.wa.gov.

Total Capital Assets, Net	\$ 13,727,424	\$ (473,145)	\$ (5,362)	\$13,248,917

General Policies

Assets with costs in excess of \$300, plus appliances, including capital leases and major repairs that increase useful lives, are capitalized and depreciated. Maintenance, repairs, and minor renewals are accounted for as expenses when incurred. Assets retired, replaced, or otherwise disposed of are eliminated from the asset accounts and the related amounts of accumulated depreciation are eliminated from the accumulated depreciation accounts.

The Authority has acquired certain assets with funding provided by federal financial assistance programs. Depending on the terms of the agreements involved, the federal government could retain an equity interest in these assets. However, the Authority has sufficient legal interest to accomplish the purposes for which the assets were acquired, and has included such assets in the accompanying financial statements.

Depreciable Capital Assets

Capital assets of the Authority are capitalized and depreciated using the straight-line method over the useful life of the asset as follows:

Equipment	5 to 10 Years
Improvements	25 Years
Structures	10 to 40 Years

NOTE 4 PENSION PLANS

The following table represents the aggregate pension amounts for all plans as of and for the year ended June 30, 2020:

Aggregate Pension Amounts - All Plans	
Net Pension Liabilities	\$ 197,314
Deferred Outflows of Resources	107,588
Deferred Inflows of Resources	132,400
Pension Expense	4,037

Substantially all of the Authority's full-time and qualifying part-time employees participate in one of the following statewide retirement systems administered by the Washington State Department of Retirement Systems, under cost-sharing multiple-employer public employee defined benefit retirement plans. The state Legislature establishes, and amends, laws pertaining to the creation and administration of all public retirement systems.

The Department of Retirement Systems (DRS), a department within the primary government of the state of Washington, issues a publicly available comprehensive annual financial report (CAFR) that includes financial statements and required supplementary information for each plan. The DRS CAFR may be obtained by writing to:

Department of Retirement Systems Communications Unit P.O. Box 48380, Olympia, WA 98504-8380

Or it may be downloaded from the DRS website at www.drs.wa.gov.

Public Employees' Retirement System (PERS)

PERS members include elected officials; state employees; employees of the Supreme, Appeals and Superior Courts; employees of the legislature; employees of district and municipal courts; employees of local governments; and higher education employees not participating in higher education retirement programs. PERS is comprised of three separate pension plans for membership purposes. PERS plans 1 and 2 are defined benefit plans, and PERS Plan 3 is a defined benefit plan with a defined contribution component.

NOTE 4 PENSION PLANS (CONTINUED)

PERS Plan 1

PERS Plan 1 provides retirement, disability, and death benefits. Retirement benefits are determined as 2% of the member's average final compensation (AFC) times the member's years of service. The AFC is the average of the member's 24 highest consecutive service months. Members are eligible for retirement from active status at any age with at least 30 years of service, at age 55 with at least 25 years of service, or at age 60 with at least 5 years of service. Members retiring from active status prior to the age of 65 may receive actuarially reduced benefits. Retirement benefits are actuarially reduced to reflect the choice of a survivor benefit. Other benefits include duty and nonduty disability payments, an optional cost-of-living adjustment (COLA), and a one-time duty-related death benefit, if found eligible by the Department of Labor and Industries. PERS 1 members were vested after the completion of 5 years of eligible service. The plan was closed to new entrants on September 30, 1977.

Contributions

The PERS Plan 1 member contribution rate is established by state statute at 6%. The employer contribution rate is developed by the Office of the State Actuary and includes an administrative expense component that is currently set at 0.18%. Each biennium, the state Pension Funding Council adopts PERS Plan 1 employer contribution rates. The PERS Plan 1 required contribution rates (expressed as a percentage of covered payroll) for 2020 were as follows:

	July 2019 - June 2020					
Actual Contribution Rate:	Employer	Employee				
PERS Plan 1	7.92 %	6.00 %				
PERS Plan 1 UAAL	4.76	-				
Administrative Fee	0.18	-				
Total	12.86 %	6.00 %				

The Authority's actual contribution to the plan was \$27,570 for the year ended June 30, 2020.

PERS Plan 2/3

PERS Plan 2/3 provides retirement, disability, and death benefits. Retirement benefits are determined as 2% of the member's average final compensation (AFC) times the member's years of service for Plan 2 and 1% of AFC for Plan 3. The AFC is the average of the member's 60 highest-paid consecutive service months. There is no cap on years of service credit. Members are eligible for retirement with a full benefit at 65 with at least 5 years of service credit. Retirement before age 65 is considered an early retirement. PERS Plan 2/3 members who have at least 20 years of service credit and are 55 years of age or older, are eligible for early retirement with a benefit that is reduced by a factor that varies according to age for each year before age 65.

NOTE 4 PENSION PLANS (CONTINUED)

PERS Plan 2/3 (Continued)

PERS Plan 2/3 members who have 30 or more years of service credit and are at least 55 years old can retire under one of two provisions:

- With a benefit that is reduced by 3% for each year before age 65; or
- With a benefit that has a smaller (or no) reduction (depending on age) that imposes stricter return-to-work rules.

PERS Plan 2/3 members hired on or after May 1, 2013, have the option to retire early by accepting a reduction of 5% for each year of retirement before age 65. This option is available only to those who are age 55 or older and have at least 30 years of service credit. PERS Plan 2/3 retirement benefits are also actuarially reduced to reflect the choice of a survivor benefit. Other PERS Plan 2/3 benefits include duty and nonduty disability payments, a cost-of-living allowance (based on the CPI), capped at 3% annually and a one-time duty related death benefit, if found eligible by the Department of Labor and Industries. PERS 2 members are vested after completing 5 years of eligible service. Plan 3 members are vested in the defined benefit portion of their plan after 10 years of service; or after 5 years of service if 12 months of that service are earned after age 44.

PERS Plan 3 defined contribution benefits are totally dependent on employee contributions and investment earnings on those contributions. PERS Plan 3 members choose their contribution rate upon joining membership and have a chance to change rates upon changing employers. As established by statute, Plan 3 required defined contribution rates are set at a minimum of 5% and escalate to 15% with a choice of 6 options. Employers do not contribute to the defined contribution benefits. PERS Plan 3 members are immediately vested in the defined contribution portion of their plan.

Contributions

The PERS Plan 2/3 employer and employee contribution rates are developed by the Office of the State Actuary to fully fund Plan 2 and the defined benefit portion of Plan 3. The Plan 2/3 employer rates include a component to address the PERS Plan 1 unfunded actuarial accrued liability and an administrative expense that is currently set at 0.18%. Each biennium, the state Pension Funding Council adopts Plan 2 employer and employee contribution rates and Plan 3 contribution rates.

NOTE 4 PENSION PLANS (CONTINUED)

PERS Plan 2/3 (Continued)

The PERS Plan 2/3 required contribution rates (expressed as a percentage of covered payroll) for 2020 were as follows:

	July 2019 - June 2020						
Actual Contribution Rate:	Employer 2/3	Employee 2					
PERS Plan 2/3	7.92 %	7.90 %					
PERS Plan 1 UAAL	4.76	-					
Administrative Fee	0.18	-					
Employee PERS Plan 3	-	varies					
Total	12.86 %	7.90 %					

The Authority's actual contribution to the plan was \$45,874 for the year ended June 30, 2020.

Actuarial Assumptions

The total pension liability (TPL) for each of the DRS plans was determined using the most recent actuarial valuation completed in 2019 with a valuation date of June 30, 2018. The actuarial assumptions used in the valuation were based on the results of the Office of the State Actuary's (OSA) 2007-2012 Experience Study and the 2017 Economic Experience Study.

Additional assumptions for subsequent events and law changes are current as of the 2018 actuarial valuation report. The TPL was calculated as of the valuation date and rolled forward to the measurement date of June 30, 2019. Plan liabilities were rolled forward from June 30, 2018, to June 30, 2019, reflecting each plan's normal cost (using the entry-age cost method), assumed interest, and actual benefit payments.

- **Inflation**: 2.75% total economic inflation; 3.5% salary inflation
- **Salary increases**: In addition to the base 3.5% salary inflation assumption, salaries are also expected to grow by promotions and longevity.
- Investment rate of return: 7.4%

Mortality rates were based on the RP-2000 report's Combined Healthy Table and Combined Disabled Table, published by the Society of Actuaries. OSA applied offsets to the base table and recognized future improvements in mortality by projecting the mortality rates using 100% Scale BB. Mortality rates are applied on a generational basis; meaning, each member is assumed to receive additional mortality improvements in each future year throughout his or her lifetime.

NOTE 4 PENSION PLANS (CONTINUED)

Actuarial Assumptions (Continued)

There were changes in methods and assumptions since the last valuation.

- OSA updated modeling to reflect providing benefit payments to the date of the initial retirement eligibility for terminated vested members who delay application for retirement benefits.
- OSA updated COLA programming to reflect legislation signed during the 2018 legislative session that provides PERS Plan 1 annuitants who are not receiving a basic minimum, alternate minimum, or temporary disability benefit with a one-time permanent 1.5% increase to their monthly retirement benefit, not to exceed a maximum of \$62.50 per month.

Discount Rate

The discount rate used to measure the total pension liability for all DRS plans was 7.4%.

To determine that rate, an asset sufficiency test included an assumed 7.5% long-term discount rate to determine funding liabilities for calculating future contribution rate requirements. Consistent with the long-term expected rate of return, a 7.4% future investment rate of return on invested assets was assumed for the test. Contributions from plan members and employers are assumed to continue being made at contractually required rates (including PERS 2/3, employers, whose rates include a component for the PERS 1 Plan liabilities). Based on these assumptions, the pension plans' fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return of 7.4% was used to determine the total liability.

Long-Term Expected Rate of Return

The long-term expected rate of return on DRS pension plan investments of 7.4% was determined using a building-block-method. In selecting this assumption, the Office of the State Actuary (OSA) reviewed the historical experience data, considered the historical conditions that produced past annual investment returns, and considered capital market assumptions and simulated expected investment returns provided by the Washington State Investment Board (WSIB). The WSIB uses the capital market assumptions and their target asset allocation to simulate future investment returns over various time horizons.

NOTE 4 PENSION PLANS (CONTINUED)

Estimated Rates of Return by Asset Class

Best estimates of arithmetic real rates of return for each major asset class included in the pension plan's target asset allocation as of June 30, 2019, are summarized in the table below. The inflation component used to create the table is 2.2% and represents WSIB's most recent long-term estimate of broad economic inflation.

		Long-Term
	Target	Expected Real
Asset Class	Allocation	Rate of Return
Fixed Income	20.00 %	2.20 %
Tangible Assets	7.00	5.10
Real Estate	18.00	5.80
Global Equity	32.00	6.30
Private Equity	23.00	9.30
Total	100.00 %	

Sensitivity of Net Pension Liability

The table below presents the Authority's proportionate share of the net pension liability calculated using the discount rate of 7.4%, as well as what the Authority's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1 percentage point lower (6.4%) or 1 percentage point higher (8.4%) than the current rate.

Pension Plan Fiduciary Net Position

Detailed information about the state's pension plans' fiduciary net position is available in the separately issued DRS financial report.

NOTE 4 PENSION PLANS (CONTINUED)

<u>Pension Liabilities (Assets), Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions</u>

At June 30, 2020, the Authority reported a total pension liability of \$197,314 for its proportionate share of the net pension liabilities as follows:

Pension Trust		Liability
PERS 1	\$	148,815
PERS 2/3		48,499
Total	\$	197,314

At June 30, the Authority's proportionate share of the collective net pension liabilities was as follows:

	Proportionate	Proportionate	
	Share	Share	Change in
Pension Trust	June 30, 2018	June 30, 2019	Proportion
PERS 1	0.003918 %	0.003870 %	(0.000048)%
PERS 2/3	0.005054 %	0.004993 %	(0.000061)%

Employer contribution transmittals received and processed by DRS for the fiscal year ended June 30 are used as the basis for determining each employer's proportionate share of the collective pension amounts reported by DRS in the Schedules of Employer and Nonemployer Allocations.

The collective net pension liability (asset) was measured as of June 30, 2019, and the actuarial valuation date on which the total pension liability (asset) is based was as of June 30, 2018, with update procedures used to roll forward the total pension liability to the measurement date.

Pension Expense

For the year ended June 30, 2020, the Authority recognized pension expense as follows:

	Pension
	Expense
Pension Trust	(Benefit)
PERS 1	\$ 4,573
PERS 2/3	\$ 4,573 (536)
Total	\$ 4,037

NOTE 5 PARTICIPATION IN HOUSING AUTHORITY RISK RETENTION POOL

The Authority is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters.

The City of Othello Housing Authority is a member of the Housing Authorities Risk Retention Pool (HARRP). Utilizing Chapter 48.62 RCW (self-insurance regulation) and Chapter 39.34 RCW (Interlocal Cooperation Act), fifty-five public housing authorities in the states of Washington, Oregon and California originally formed HARRP in March 1987. HARRP was created for the purposes of providing a pooling mechanism for jointly purchasing insurance, jointly self-insuring, and/or jointly contracting for risk management services. HARRP currently has a total of ninety-two members in the states of Washington, Oregon, Nevada and California. Thirty-six of the ninety two members are Washington public housing entities.

New members originally contract for a three year term and thereafter automatically renew on an annual basis. Members may quit (after completion of the three year commitment) upon giving notice to HARRP prior to their renewal date. HARRP can terminate the members after giving a sixty (60) day notice prior to the renewal date. Termination does not relieve a former member from its unresolved losses incurred during membership.

General and Automobile Liability coverages are written on an occurrence basis, without member deductibles. Errors & Omissions coverage (which includes Employment Practices Liability) is written on a claims made basis, and the members are responsible for 10% of the incurred costs of the claims. (Due to special underwriting circumstances, some members may be subject to a greater E&O co-payment.) The Property coverage offered by HARRP is on a replacement cost basis with deductibles ranging from \$1,000 to \$25,000. Fidelity coverage, with limits of \$100,000 (with options up to \$500,000) for employee dishonesty and forgery or alteration and \$10,000 for theft are also provided with deductibles the same as Property.

Coverage limits for General Liability, Errors & Omissions and Property are \$2,000,000 per occurrence and \$2,000,000 annual aggregate. (Some members have chosen greater Property limits for higher valued properties.) Limits for Automobile Liability are \$1,000,000/\$1,000,000.

HARRP self-insures the full layer of coverage for liability lines (\$2,000,000 per occurrence and \$2,000,000 annual aggregate). There is no purchased reinsurance above this limit. For property, HARRP retains \$2,000,000 and \$63,000,000 of reinsurance from St. Paul/Travelers Insurance Company for a combined total of \$65,000,000. The HARRP Board of Directors determines the limits and coverage terms, at its sole discretion.

HARRP provides loss control services, claim investigation and adjusting, litigation management and defense with in-house staff and retained third party contractors.

NOTE 5 PARTICIPATION IN HOUSING AUTHORITY RISK RETENTION POOL (CONTINUED)

HARRP is fully funded by member assessments that are adjusted annually by the HARRP Board on the basis of independent actuarial studies. These assessments cover loss, loss adjustment expenses, reinsurance and other administrative expenses. HARRP does not have the right to assess the membership for any shortfall in its funding. Such shortfalls are made up through future rate adjustments.

Claim settlements did not exceed coverage in any of the past three years.

NOTE 7 CONTINGENCIES

The Authority participates in a number of federal and state assisted programs. These grants are subject to audit by the grantors or their representatives. Such audits could result in request for reimbursement to grantor agencies for expenditures disallowed under the terms of the grants. Housing Authority management believes that such disallowances, if any, will be immaterial.

Periodically the Authority receives funding from the state of Washington Department of Commerce that is used to purchase and construct land and buildings. The Department of Commerce maintains the right to be reimbursed for this funding if the Authority is in violation of any terms or conditions of the contracts. At year-end, the Authority's management is not aware of any violations of Department of Commerce requirements. As of June 30, 2020, these amounts total \$8,892,951.

NOTE 8 SUBSEQUENT EVENTS

Subsequent to year-end, the World Health Organization declared the spread of Coronavirus Disease (COVID-19) a worldwide pandemic. The COVID-19 pandemic is having significant effects on global markets, supply chains, businesses, and communities. Specific to the Housing Authority, COVID-19 may impact various parts of its 2020 operations and financial results, including temporary reductions in workforce and receipt of tenant rent payments. Management believes the Housing Authority is taking appropriate actions to mitigate the negative impact. However, the full impact of COVID-19 is unknown and cannot be reasonably estimated as these events occurred subsequent to year-end and are still developing.

Housing Authority of the City of Othellc Notes to the Schedule of Expenditures of Federal Awards July 1, 2019 through June 30, 2020

NOTE 1 - BASIS OF ACCOUNTING

The Housing Authority prepares the Schedule of Expenditures of Federal Awards on the same basis of accounting as the Housing Authority's financial statements. The Housing Authority uses the accrual basis of accounting for all programs receiving federal financial assistance.

NOTE 2 - PROGRAM COSTS

The amounts shown as current year expenditures represent only the federal portion of the program costs. Entire program costs, including the Housing Authority's portion, may be more than shown

NOTE 3 - RURAL RENTAL HOUSING LOAN SUBSIDY CREDIT

The Rural Housing Service provides the Rural Rental Housing Loan. Subsidy Credit for Lions Park Apartments and Cedar Park Apartments to reduce the effective interest rate of the loan. The Housing Authority records interest expense separate from the subsidy credit.

NOTE 4 - RURAL RENTAL ASSISTANCE PAYMENTS

The rental assistance payments shown represents the total of rental assistance received that is determined by netting the approved basic rent for the shelter and tenant contributions.

NOTE 5 - UNITED STATE DEPARTMENT OF AGRICULTURE

The Housing Authority has three USDA Rural Rental Housing Loans outstanding with balances totaling \$1,149,573.88 as of June 30, 2020

NOTE 7 - INDIRECT COST RATE

The Housing Authority of the City of Othello has not elected to use the 10% de minimis indirect cost rate allowed under Uniform Guidance.

ABOUT THE STATE AUDITOR'S OFFICE

The State Auditor's Office is established in the Washington State Constitution and is part of the executive branch of state government. The State Auditor is elected by the people of Washington and serves four-year terms.

We work with state agencies, local governments and the public to achieve our vision of increasing trust in government by helping governments work better and deliver higher value.

In fulfilling our mission to provide citizens with independent and transparent examinations of how state and local governments use public funds, we hold ourselves to those same standards by continually improving our audit quality and operational efficiency, and by developing highly engaged and committed employees.

As an agency, the State Auditor's Office has the independence necessary to objectively perform audits, attestation engagements and investigations. Our work is designed to comply with professional standards as well as to satisfy the requirements of federal, state and local laws. The Office also has an extensive quality control program and undergoes regular external peer review to ensure our work meets the highest possible standards of accuracy, objectivity and clarity.

Our audits look at financial information and compliance with federal, state and local laws for all local governments, including schools, and all state agencies, including institutions of higher education. In addition, we conduct performance audits and cybersecurity audits of state agencies and local governments, as well as state whistleblower, fraud and citizen hotline investigations.

The results of our work are available to everyone through the more than 2,000 reports we publish each year on our website, www.sao.wa.gov. Additionally, we share regular news and other information via an email subscription service and social media channels.

We take our role as partners in accountability seriously. The Office provides training and technical assistance to governments both directly and through partnerships with other governmental support organizations.
