AUDIT RESULTS

Results in brief

This report describes the overall results and conclusions for the areas we examined. In those selected areas, County operations complied, in all material respects, with applicable state laws, regulations, and its own policies, and provided adequate controls over the safeguarding of public resources.

In keeping with general auditing practices, we do not examine every transaction, activity, policy, internal control, or area. As a result, no information is provided on the areas that were not examined.

About the audit

This report contains the results of our independent accountability audit of Grays Harbor County from January 1, 2021 through December 31, 2022.

Management is responsible for ensuring compliance and adequate safeguarding of public resources from fraud, loss or abuse. This includes the design, implementation and maintenance of internal controls relevant to these objectives.

This audit was conducted under the authority of RCW 43.09.260, which requires the Office of the Washington State Auditor to examine the financial affairs of all local governments. Our audit involved obtaining evidence about the County's use of public resources, compliance with state laws and regulations and its own policies and procedures, and internal controls over such matters. The procedures performed were based on our assessment of risks in the areas we examined.

Based on our risk assessment for the years ended December 31, 2022 and 2021, the areas examined were those representing the highest risk of fraud, loss, abuse, or noncompliance. We examined the following areas during this audit period:

- Cash receipting – timeliness and completeness of deposits at the Treasurer's Office, District Court and Public Works
- Sheriff's Office – property or evidence room, disposition of property, drug seizure and forfeiture, citation reconciliations, use and tracking of confidential funds and cash receipting
- Jail – inmate charges to other jurisdictions, work release, kitchen purchases and inventory, inmate accounts and inmate property
- Compliance with state grants
- Use of restricted funds – interfund loans and transfers, and internal service funds
- Cost allocation plan – equitable distribution of indirect costs

- Accounts payable – credit cards, charge accounts, and electronic funds transfers
- Payroll – overtime and bonus and incentive payments
- Open public meetings – compliance with minutes, meetings and executive session requirements
