Board of Commissioners Sunnyside Housing Authority Sunnyside, Washington

Contracted CPA Firm's Audit Report on Financial Statements and Federal Single Audit

We have reviewed the audit report issued by a certified public accounting (CPA) firm on the financial statements and compliance with federal grant requirements of the Sunnyside Housing Authority for the fiscal year ended December 31, 2022. The Housing Authority contracted with the CPA firm for this audit and requested that we accept it in lieu of performing our own audit.

Based on this review, we have accepted this report in lieu of the audit required by RCW 43.09.260. The Office of the Washington State Auditor did not audit the accompanying financial statements or the Sunnyside Housing Authority's compliance with federal grant agreements and, accordingly, we do not express an opinion on those financial statements or on compliance.

This report is being published on the Office of the Washington State Auditor website as a matter of public record.

Sincerely,

Tat Marchy

Pat McCarthy, State Auditor Olympia, WA

REPORT OF INDEPENDENT AUDITORS

To the Board of Commissioners Housing Authority Sunnyside, Washington:

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of the business-type activities (primary government) and the aggregate discretely presented component unit of the Housing Authority Sunnyside, Washington (the "Authority") as of and for the year ended December 31, 2022, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

In our opinion, based on our audit and the report of the other auditors, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of the business-type activities (primary government) and the discretely presented component unit of the Authority as of as of December 31, 2022, and the changes in their net position and where applicable, their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

We did not audit the financial statements of SHA Sunnyside Family Housing, LLC (the "discretely presented component unit"). Those statements, which were prepared in accordance with the accounting standards issued by the Financial Accounting Standards Board, were audited by another auditor whose reports have been furnished to us. We have applied audit procedures on the conversion adjustments to the financial statements of the discretely presented component unit, to conform those financial statements to present in accordance with the accounting standards issued by the Governmental Accounting Standards Board ("GASB"). Our opinion, as it relates to the amounts included for the discretely presented component unit, prior to these conversion adjustments, are based solely on the report of the other auditor.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS") and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. The financial statements of the discretely presented component unit were not audited in accordance with *Government Auditing Standards*. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Authority and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Authority's basic financial statements. The schedule of expenditures of federal awards is presented for the purpose of additional analysis as required by Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* and is not a required part of the financial statements. The accompanying financial data schedule is also not a required part of the financial statements and is presented for the purposes of additional analysis as required by the U.S. Department of Housing and Urban Development.

The schedule of expenditures of federal awards and financial data schedule are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

In our opinion, the schedule of expenditures of federal awards and financial data schedule are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 29, 2023 on our consideration of the Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

As management of the Housing Authority of Sunnyside, Washington (the "Authority"), we offer the readers of the Authority's financial statements this narrative overview and analysis of the financial activities of the Authority as of and for the year ended December 31, 2022. We encourage readers to consider the information presented here in conjunction with the Authority's financial statements.

Questions concerning any of the information provided in this report or requests for additional information should be addressed to the Executive Director, Housing Authority of Sunnyside, Washington.

Overview of the Financial Statements

The financial statements included in this annual audit report are those of a special-purpose government engaged in a business-type activity.

The following statements are included:

The Statement of Net Position

The Statement of Net Position reports all financial and capital resources for the Authority. The statement is presented in the format where assets and deferred outflow of resources minus liabilities and deferred inflow of resources, equals "Net Position", formerly known as equity. Assets and liabilities are presented in order of liquidity, and are classified as "Current" (convertible into cash within one year) and "Non-current".

Components of Net Position are:

• <u>Net Investment in Capital Assets</u>:

This component of net position consists of all capital assets, reduced by the outstanding balances of any bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.

• <u>Restricted Net Position</u>:

This component of net position consists of restricted assets, when constraints are placed on the asset by creditors (such as debt covenants), grantors, contributors, laws, regulations, etc.

• <u>Unrestricted Net Position</u>:

This component of net position consists of net position that does not meet the definition of "Net Investment in Capital Assets" or "Restricted Net Position".

Overview of the Financial Statements (continued)

Statement of Revenue, Expenses, and Changes in Net Position

This statement reports the Authority's operating and non-operating revenue, by major sources, along with operating and non-operating expenses and capital contributions. The statement includes operating revenues, such as rental income, operating expenses, such as administrative, utilities, maintenance, and depreciation, and non-operating revenue and expenses, such as grant revenue, investment income and interest expense.

Statement of Cash Flows

The Statement of Cash Flows presents information on the effects changes in assets and liabilities have on cash during the course of the Fiscal Year.

Notes to the Financial Statements

The notes to the financial statements provide additional information that is essential to a full understanding of the data provided in the Authority-wide financial statements.

Our analysis of the Authority as a whole begins on the next page. The most important question asked about the Authority's finances is, "Is the Authority as a whole better or worse off as a result of the year's activities?"

The attached analysis of entity wide net position, revenues, and expenses are provided to assist with answering the above question. This analysis includes all assets and liabilities using the accrual basis of accounting. Accrual accounting is similar to the accounting used by most private sector companies. Accrual accounting recognizes revenues when earned and expenses when incurred, regardless of when cash is received or paid.

Our analysis also presents the Authority's net position and changes in it. One can think of the Authority's net position as the difference between what the Authority owns (assets) to what the Authority owes (liabilities). The change in net position analysis will assist the reader with measuring the health or financial position of the Authority.

Over time, significant changes in the Authority's net position are an indicator of whether its financial health is improving or deteriorating. To fully assess the financial health of any Authority the reader must also consider other non-financial factors such as changes in household composition, fluctuations in the local economy, HUD mandated program administrative changes, and the physical condition of the Authority's capital assets.

To fully understand the financial statements of the Authority, one must start with an understanding of what the Authority actually does. The following is a brief description of the programs and services that the Authority provides for the residents of Sunnyside, WA:

Public and Indian Housing Program

The Public and Indian Housing Program is designed to provide affordable housing. Under this program, HUD provides funding via an annual contributions contract. These funds, combined with the rental income received from tenants, are available solely to meet the operating expenses of the program.

Public Housing Capital Fund Program

The purpose of the Public Housing Capital Fund Program is to provide another source of funding to cover the cost of physical and management improvements and rehabilitation on existing low-income housing. Funding for this program is provided by annual awards from HUD.

State and Local Programs

Periodically, the Authority administers various loans/grants from the State of Washington. The activities of state and local loans/grants are reported in this fund.

Rural Rental Housing Loans

The purpose of rural rental housing loans is to provide affordable multi-family rental housing for low-income families in rural designated areas.

Farm Labor Housing Loans and Grants

The Authority administers a Section 514/516 Farm Labor Housing program whereby such financed housing is occupied by domestic farm laborers and their families who derive a substantial portion of their income from farm labor. The loans and grants may be used for construction, repair, or modification of existing off-farm housing, or to acquire the necessary land and making improvements on land for housing.

Rural Rental Assistance Payments

The purpose of the Section 521 rental assistance program is to reduce the tenant contribution paid by low-income families occupying eligible Rural Rental Housing and Farm Labor Housing projects financed by the USDA Rural Development through its Sections 515, and 514/516 loans and grants.

Rural Development Multi-Family Revitalization Demo Program

The purpose of the Rural Development Multi-Family Revitalization Demo Program is to preserve the availability of safe, affordable rental housing for low income residents.

Financial Highlights

Total Assets for FY 2021 were \$13,278,869 and for FY 2022 the amount was \$16,228,349. This represents an overall net increase of \$2,949,480 or 22.2%.

Capital Assets (net) increased from \$7,409,527 in FY 2021 to \$10,162,773 in FY 2022, or by \$2,753,246 or 37.2%. The increase is the net amount of capital asset additions, net dispositions and depreciation expense in FY 2022 in the amounts of \$3,063,225, (\$538) and (\$309,441), respectively.

Current liabilities decreased from \$879,503 in FY 2021 to \$328,664 in FY 2022 or by \$550,839 or 62.6%. The decrease is primarily due to the Authority paying off contract payments that were due during FY 2022.

Net Investment in Capital Assets decreased from \$3,977,374 in FY 2021 to \$3,428,233 in FY 2022 or by \$549,141 or 13.8%. The decrease was primarily due to the Authority drawing down on more debt in the Rural Development Multi-Family Revitalization Demo Program, which was partially offset by an increase in construction in progress.

Rural Rental Assistance Payments Program (RRAP)	188,667
Elimination	 (31,459)
Total Revenue	\$ 2,023,569

Total revenues for FY 2021 were \$2,348,183 as compared to \$2,023,569 of total revenues for FY 2022. Comparatively, FY 2021 revenues exceeded FY 2022 revenues by \$324,614.

Analysis of Entity Wide Expenses

Administrative expenditures for FY 2022 were \$580,205 as compared to \$472,514 in FY 2021. This represents an increase of \$107,691 or 22.8%. The main reason for this change was due to increases in salaries and employee benefit contributions.

Ordinary repairs and maintenance expenditures for FY 2022 were \$640,964 as compared to \$518,796 in FY 2021, an increase of \$122,168 or 23.5%. This is primarily due to an increase in contract costs for construction related projects.

Depreciation Expense decreased from \$323,792 in FY 2021 to \$309,441 in FY 2022 or by \$14,351 or 4.4%.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Organization

The Housing Authority of Sunnyside, Washington (the "Authority") is a governmental, public corporation created under federal and state housing laws for the purpose of engaging in the development, acquisition and administrative activities of the low-income housing program and other programs with similar objectives for low and moderate income families residing in the City of Sunnyside, Washington (the "City"). The Authority is responsible for operating certain affordable housing programs in the City under programs administered by the U.S. Department of Housing and Urban Development ("HUD"). These programs provide housing for eligible families under the United States Housing Act of 1937, as amended.

The Authority is governed by a board of commissioners which is essentially autonomous, but is responsible to HUD. An Executive Director is appointed by the Authority's board of commissioners to manage the day-to-day operations of the Authority.

B. Basis of Accounting / Financial Statement Presentation

The Authority's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP"). The Governmental Accounting Standards Board (GASB) is responsible for establishing GAAP for state and local governments through its pronouncements (Statements and Interpretations).

The programs of the Authority are organized as separate accounting entities. Each program is accounted for by a separate set of self-balancing accounts that comprise its assets, deferred outflows of resources, liabilities, deferred inflows of resources, net position (program equity), revenues, and expenses. The individual programs account for the governmental resources allocated to them for the purpose of carrying on specific programs in accordance with laws, regulations, or other restrictions, including those imposed by HUD. The programs of the Authority are combined and considered an enterprise fund. An enterprise fund is used to account for activities that are operated in a manner similar to those found in the private sector.

The Authority's enterprise fund is accounted for using the economic resources measurement focus and the accrual basis of accounting. Revenues, expenses, gains, and losses from assets and liabilities resulting from exchange and exchange-like transactions are recognized when the exchange takes place.

The Authority's financial statements are prepared in accordance with GASB 34, *Basic Financial Statements and Management's Discussion and Analysis for State and Local Governments*, as amended ("GASB 34"). GASB 34 requires the basic financial statements to be prepared using the economic resources measurement focus and the accrual basis of accounting and requires the presentation of a Statement of Net Position, a Statement of Revenues, Expenses and Changes in Net Position and Statement of Cash Flows. GASB 34 also requires the Authority to include Management's Discussion and Analysis as part of the Required Supplementary Information.

The Authority's primary source of non-exchange revenue relates to grants and subsidies. In accordance with GASB 33, *Accounting and Financial Reporting for Non-exchange Transactions* ("GASB 33"), grant and subsidy revenue are recognized at the time eligible program expenditures occur and/or the Authority has complied with the grant and subsidy requirements.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

B. Basis of Accounting / Financial Statement Presentation (continued)

Effective January 1, 2022, the Authority adopted GASB 87, Leases ("GASB 87"). GASB 87 increases the transparency and comparability among governmental organizations by requiring the recognition of lease assets and lease liabilities on the statement of net position by lessees and the disclosure of key information about leasing arrangements. For the year ended December 31, 2022, the adoption of GASB 87 did not have a material effect on the financial statements of the Authority.

C. Reporting Entity

In accordance with GASB 61, *The Financial Reporting Entity Omnibus - An Amendment of GASB Statement No. 14 and No. 34*, the Authority's basic financial statements include those of the Authority and any component units. Component units are legally separate organizations whose majority of officials are appointed by the primary government or the organization is fiscally dependent on the primary government and there is a potential for those organizations either to provide specific financial benefits to, or impose specific financial burdens on, the primary government. An organization has a financial benefit or burden relationship with the primary government if any one of the following conditions exist:

- 1. The primary government (Authority) is legally entitled to or can otherwise access the organization's resources.
- 2. The primary government is legally obligated or has otherwise assumed the obligation to finance the deficits of, or provide financial support to, the organization.
- 3. The primary government is obligated in some manner for the debt of the organization.

Based upon the application of these criteria, this report includes the following discretely presented component unit:

SHA Sunnyside Family Housing, LLC

SHA Sunnyside Family Housing, LLC ("SHA LLC") was organized as a limited liability company on April 4, 2014 under the laws of the State of Washington for the purpose of acquiring, constructing and operating an apartment complex located in Sunnyside, Washington. SHA LLC consists of 40 units, and is currently operating under the name of Rainier Park. The property was placed in service in March of 2016.

SHA LLC qualifies for low-income housing tax credits under Section 42 of the Internal Revenue Service Code. Such projects are regulated under terms of a Regulatory Agreement, including rent charges, operating methods and other matters.

Copies of the audited financial statements of the discretely presented component unit, which operates with a December 31, fiscal year end, may be obtained from the Housing Authority of Sunnyside, Washington, 204 S. 13th Street, Sunnyside, WA 98944.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

D. Description of Programs

The Authority maintains its accounting records by program. A summary of the significant properties and programs operated by the Authority is as follows:

Public and Indian Housing Program

The Public and Indian Housing Program is designed to affordable housing. Under this program, HUD provides funding via an annual contributions contract. These funds, combined with the rental income received from tenants, are available solely to meet the operating expenses of the program.

Public Housing Capital Fund Program

The purpose of the Public Housing Capital Fund Program is to provide another source of funding to cover the cost of physical and management improvements and rehabilitation on existing low-income housing. Funding for this program is provided by annual awards from HUD.

State and Local Programs

Periodically, the Authority administers various loans/grants from the State of Washington . The activities of state and local loans/grants are reported in this fund.

Rural Rental Housing Loans

The purpose of rural rental housing loans is to provide affordable multi-family rental housing for low-income families in rural designated areas.

Farm Labor Housing Loans and Grants

The Authority administers a Section 514/516 Farm Labor Housing program whereby such financed housing is occupied by domestic farm laborers and their families who derive a substantial portion of their income from farm labor. The loans and grants may be used for construction, repair, or modification of existing off-farm housing, or to acquire the necessary land and making improvements on land for housing.

Rural Rental Assistance Payments

The purpose of the Section 521 rental assistance program is to reduce the tenant contribution paid by low-income families occupying eligible Rural Rental Housing and Farm Labor Housing projects financed by the USDA Rural Development through its Sections 515, and 514/516 loans and grants.

Rural Development Multi-Family Revitalization Demo Program

The purpose of the Rural Development Multi-Family Revitalization Demo Program is to preserve the availability of safe, affordable rental housing for low income residents.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

E. Use of Management Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets, deferred outflows of resources, liabilities and deferred inflows of resources, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Significant estimates include the allowance for doubtful accounts, accrued expenses and other liabilities, depreciable lives of properties and equipment and contingencies. Actual results could differ significantly from these estimates.

F. Cash and Cash Equivalents

HUD requires housing authorities to invest excess funds in obligations of the United States, Certificates of Deposit or any other federally insured investment.

HUD also requires that deposits be fully collateralized at all times. Acceptable collateralization includes FDIC insurance and the market value of securities purchased and pledged to the political subdivision. Pursuant to HUD restrictions, obligations of the United States are allowed as security for deposits. Obligations furnished as security must be held by the Authority or with an unaffiliated bank or trust company for the account of the Authority.

For the Statement of Cash Flows, cash and cash equivalents include all cash balances and highly liquid investments with a maturity of three months or less at time of purchase. It is the Authority's policy to maintain collateralization in accordance with state and HUD requirements.

G. Accounts Receivable, Net

Rents are due from tenants on the first day of each month. As a result, tenants receivable balances primarily consist of rents past due and due from vacated tenants. An allowance for doubtful accounts is established to provide for accounts which may not be collected in the future for any reason. Collection losses on accounts receivable are charged against the allowance for doubtful accounts. Also, included in accounts receivable are those amounts that tenants owe the Authority for retroactive rent as payment for committing fraud or misrepresentation. These charges usually consist of retroactive rent and other amounts that may be determined by a formal written agreement or by a court order.

The Authority recognizes a receivable from HUD and other governmental agencies for amounts earned and billed but not received and for amounts unbilled, but earned as of year-end.

H. Allowance for Doubtful Accounts

The Authority periodically reviews all accounts receivable to determine the amount, if any, that may be uncollectable. If it is determined that an account or accounts may be uncollectable, the Authority prepares an analysis of such accounts and records an appropriate allowance against such amounts.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

I. Prepaid Expenses

Prepaid expenses represent amounts paid as of year-end that will benefit future operations.

J. Inventories, Net

Inventory consists of miscellaneous supplies and appliances and are valued at cost using the first in first out (FIFO) method. If inventory falls below cost due to damage, deterioration, or obsolescence, the Authority writes down inventory to its net realizable value through the establishment of an allowance for obsolete inventory. As of December 31, 2022, the balance is shown net of an allowance for obsolete inventory of \$1,743.

K. Notes Receivable

The Authority has utilized funds in accordance with HUD guidelines to assist in the construction and redevelopment of affordable housing developments through the issuance of mortgage notes. When preparing financial statements in accordance with GAAP, management is required to make estimates as to the collectability of such mortgage notes. When estimating collectability, management analyzes the value of the underlying mortgaged property, the property's ability to generate positive cash flow, and current economic trends and conditions.

L. Capital Assets, Net

Capital assets are stated at cost. Expenditures for repairs and maintenance are charged directly to expense as they are incurred. Expenditures determined to represent additions or betterments are capitalized. Upon the sale or retirement of fixed assets, the cost and related accumulated depreciation are eliminated from the accounts and any related gain or loss is reflected in the Statement of Revenues, Expenses and Changes in Net Position.

Depreciation is calculated using the straight-line method based on the estimated useful lives of the following asset groups:

•	Buildings and Improvements	15 - 30 years
	Furniture and Equipment	3 - 7 years

The Authority has established a capitalization threshold of \$1,000 with the exception that ranges, refrigerators, washing machines, dryers, dishwashers, and appliances of like kind will be capitalized regardless of original cost.

M. Impairment of Long Lived Assets

•

The Authority evaluates events or changes in circumstances affecting long-lived assets to determine whether an impairment of its assets has occurred. If the Authority determines that a capital asset is impaired, and that impairment is significant and other-than-temporary, then an impairment loss will be recorded in the Authority's financial statements. During the year ended December 31, 2022 there were no impairment losses incurred.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

N. Inter-program Receivables and Payables

Inter-program receivables and payables are all classified as either current assets or current liabilities, and are the result of the use of a concentrated account depository as the common paymaster for most of the programs of the Authority. Cash settlements are made monthly. All inter-program balances are reconciled, and inter-program receivables and payables balances net to zero. In accordance with GASB 34, inter-program receivables and payables are eliminated for financial statement purposes. Detail balances by program are found in the Financial Data Schedule of this report.

O. Accounts Payable and Accrued Liabilities

The Authority recognizes a liability for goods and services received but not paid for as of yearend. The Authority recognizes a liability for wages and fringe benefits related to services performed at year-end but not yet paid to employees or taxing authorities.

P. Prepaid Rent

The Authority's prepaid rent primarily consist of the prepayment of rent by residents applicable to future periods.

Q. Compensated Absences

Compensated absences are those absences for which employees will be paid in accordance with the Authority's Personnel Policy. A liability for compensated absences that is attributable to services already rendered and that are not contingent on a specific event that is outside the control of the Authority and its employees, is accrued as employees earn the rights to the benefits. Compensated absences that relate to future services or that are contingent on a specific event that is outside the control of the Authority and its employees are accounted for in the period in which such services are rendered or in which such event take place.

R. Right-of-Use Asset and Lease Liabilities

Lessees are required to recognize a lease liability and an intangible right-of-use lease asset. The lease liability is the present value of future payments expected to be made over the course of the lease, and the right-of-use lease assets are measured as the initial amount of lease liability, plus any payments made to the lessor at or before the time of commencement of the lease and minus and any lease incentives received from the lessor.

In determining the present value of lease payments, the Authority uses the interest rate charged by the lessor which may be implicit in the lease or if not readily determinable, its incremental borrowing rate at the commencement date. Amortization of the right-of-use lease asset is recognized on a straight-line basis over the lease term.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

S. Net Position Classifications

Equity is classified as net position and displayed in three components:

<u>Net investment in capital assets</u> - Consists of resources including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction or improvement of those assets.

<u>Restricted net position</u> - Consists of resources with constraints placed on the use either by (1) external groups such as creditors, grantors, contributors, laws or regulations of other governments; or (2) law through constitutional provisions or enabling legislation.

<u>Unrestricted net position</u> - All other net position that do not meet the definition of "restricted" or "net investment in capital assets."

T. Use of Restricted Assets

When both restricted and unrestricted resources are available for a particular restricted use, it is the Authority's policy to use restricted resources first, and then unrestricted resources as needed.

U. Operating Revenues and Expenses

The Authority defines its operating revenues as income derived from charges to residents and others for services provided as well as government subsidies and grants used for operating purposes. The Authority receives annual operating subsidies from HUD, subject to limitations prescribed by HUD. Operating subsidies from HUD are recorded when received and are accounted for as revenue. Operating expenses are costs incurred in the operation of the program. The Authority classifies all other revenues and expenses as non-operating.

V. Regulated Leases

The Authority is a lessor of residential dwelling units under regulated leases as defined by GASB 87 and as such recognizes rental revenue in accordance with the terms of the lease contract. The leases which are twelve months in length are regulated as to rent, unit size, household composition and tenant income. For the year ended December 31, 2022, rental revenue earned under the aforementioned regulated leases totaled \$1,333,440 for the primary government and \$268,169 for the discretely presented component unit.

W. Economic Dependency

The Public and Indian Housing Program of the Authority is economically dependent on grants from HUD. The program operates at a loss prior to receiving the grants.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

X. Taxes

The Authority is a unit of local government under the State of Washington law and is exempt from real estate, sales and income taxes. However, the Authority will pay a payment in lieu of taxes to cover municipal services provided by the local government for certain properties owned throughout the City.

Y. Risk Management

The Authority is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. Significant losses are covered by commercial insurance for all major programs and there have been no significant reductions in insurance coverage. Claims expenditures and liabilities are reported when it is probable that a loss has occurred, the amount of the loss can be reasonably estimated, and said amount exceeds insurance coverage. Settlement amounts have not exceeded insurance coverage for the last three years.

NOTE 2. CASH, CASH EQUIVALENTS, AND RESTRICTED CASH

As of December 31, 2022, the Authority had funds on deposit in checking, savings, and money market accounts. The carrying amount of the Primary Government's cash and cash equivalents (including restricted cash) was \$5,544,566, and the bank balances of the primary government approximated \$5,660,161.

						Total
			Ι	Discretely	F	Reporting

Total cash, cash equivalents, and restricted cash	\$	5,544,566	\$	780,161	\$	6,324,727

Of the bank balances of the primary government, \$411,638 was covered by federal depository insurance and the remaining \$5,248,523 was collateralized with the pledging financial institutions as of December 31, 2022.

Custodial credit risk is the risk that, in the event of a bank failure, the government's deposits may not be returned to it. The Authority does not have a formal policy for custodial credit risk. As of December 31, 2022, the Authority's bank balances were not exposed to custodial credit risk.

NOTE 3. ACCOUNTS RECEIVABLE, NET

Accounts receivable, net consists of the following as of December 31, 2022:

Description	Primary Government		Pr	scretely esented mponent Unit	Total Reporting Entity (Memorandum Only)	
Accounts receivable - tenants, net Accounts receivable - other government Accounts receivable - fraud recovery, net	\$	68,832 13,205 469	\$	6,849 - -	\$	75,681 13,205 469
Total accounts receivable, net	\$	82,506	\$	6,849	\$	89,355

Accounts Receivable - Tenants, Net

Tenant accounts receivable represents amounts owed to the Authority by tenants for outstanding rent, maintenance charges and/or late fees. The balance is shown net of an allowance for doubtful accounts of \$10,446.

Accounts Receivable - Other Government

Accounts receivable - other government represents amounts owed to the Authority by other federal agencies and state and local governments. Management estimates the amounts to be fully collectible and therefore no allowance for doubtful accounts has been established.

Accounts Receivable - Fraud Recovery, Net

Accounts receivable - fraud recovery, net represents amounts owed from tenants or other program participants who committed fraud or misrepresentation and now owe additional rent or retroactive rent. Management estimates the amounts to be fully collectible and therefore no allowance for doubtful accounts has been established.

NOTE 4. RESTRICTED DEPOSITS

As of December 31, 2022, restricted deposits consisted of the following:

Cash Category	<u>G</u>	Primary overnment	Р	Discretely presented pronent <u>Unit</u>	Total Reporting Entity lemorandum <u>Only)</u>
Replacement reserves Operating reserves Revenue deficit reserve Tenant security deposits	\$	1,063,379 - - 55,118	\$	71,152 100,217 58,999 18,391	\$ 1,134,531 100,217 58,999 73,509
Total restricted deposits	\$	1,118,497	\$	248,759	\$ 1,367,256

Replacement reserves are funds required to be set aside for major project expenditures in accordance with the United States Department of Agriculture ("USDA") loan agreements.

NOTE 4. RESTRICTED DEPOSITS (continued)

Operating reserves and revenue deficit reserves are funds set aside to cover certain operating deficits in SHA LLC in accordance with the Operating Agreement.

Tenant security deposits represent amounts held by the Authority on behalf of tenants. Upon termination from the program, the tenant is due amounts deposited plus interest earned less any amounts charged for damage to the unit.

NOTE 5. CAPITAL ASSETS, NET

NOTE 6. NOTES RECEIVABLE

Outstanding notes receivable as of December 31, 2022 for the primary government consisted of the following:

Description		<u>Amount</u>
In 2004, the Authority became the legal holder of a loan due from Valley Commons Associates when Yakima Valley Rural Enterprise Community ("YVREC") closed. The original loan was entered into on March 1, 2000, in the amount of \$134,000 and matures on March 10, 2025. Annual principal payments of \$2,680 are due from available cash flow. During the year ended December 31, 2022, the loan was repaid in full.	\$	-
On March 18, 2015, the Authority entered into a loan agreement with SHA LLC. The note, with a face value of \$290,000, bears interest at 1.25% per annum, matures on December 31, 2066 and is secured by a leasehold deed of trust. Principal and interest payments are due from available cash flow. Any unpaid principal and interest shall be due and payable on the maturity date.	_	290,000
Total notes receivable	\$	290,000

As of December 31, 2022, accrued interest on the aforementioned notes receivable amounted to \$25,282.

NOTE 7. RIGHT-OF-USE ASSET AND LEASE LIABILITY

On April 1, 2021 the Authority entered into a lease agreement as a lessee for six washing machines and six dryers. The term of the lease is for seven years, with an option to extend annually for three additional years. Lease payments in the amount of \$528 are due monthly. The lease has an implicit interest rate of 4.00%. As of January 1, 2022, a right-of-use lease asset was recorded in the amount of \$53,370. As of December 31, 2022, the value of the right-of-use lease asset was \$47,652 and amortization expense totaled \$5,718 for the year then ended. Principal and interest payments made on the lease for the year ended December 31, 2022 amounted to \$4,235 and \$2,101, respectively.

The following is a summary of the Authority's changes in right-of-use asset for the year ended December 31, 2022:

Operating reserves and revenue deficit reserves are funds set aside to cover certain operating deficits in SHA LLC in accordance with the Operating Agreement.

NOTE 11. DEFINED CONTRIBUTION PLAN

The Authority administers a multiple-employer defined contribution profit sharing plan for employees through a pre-approved plan provider, Definiti LLC. A restatement of the existing plan, in order to comply with the requirements for Cycle 3 Pre-Approved Plans, pursuant to Rev. Proc. 2017-41, became effective January 1, 2022. Employees are eligible to receive a contribution of 6.5% of gross wages after three months of employment. Employees are 100% vested after five years of employment and are entitled to 100% of the value of their account after five years employment or upon separation. During the year ended December 31, 2022, the covered payroll for employees was \$658,598 and the Authority contributed \$39,287 to the Plan.

NOTE 12. CONTINGENCIES

The Authority receives financial assistance from HUD in the form of grants and subsidies. Entitlement to the funds is generally conditional upon compliance with terms and conditions of the grant agreements and applicable regulations, including the expenditure of funds for eligible purposes. Substantially all grants, entitlements and cost reimbursements are subject to financial and compliance audits by HUD. As a result of these audits, costs previously reimbursed could be disallowed and require payments to HUD. As of December 31, 2022, the Authority estimates that no material liabilities will result from such audits.

NOTE 13. SUBSEQUENT EVENTS

Events that occur after the financial statement date but before the financial statements were available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the financial statement date are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after the financial statement date require disclosure in the accompanying notes to the financial statements.

Subsequent events have been evaluated through September 29, 2023, which is the date the financial statements were available to be issued, and concluded that the following subsequent event requires disclosure:

• In March 2023, the Authority acquired an USDA 515 Project, known as Sunnyview Apartments. Sunnyview Apartments is made up of twenty-three (23) residential units and one (1) common area unit. In order to acquire the property, the Authority entered into a promissory note with the Washington State Department of Commerce in the amount of \$1,038,043, which is secured by a deed of trust on the property.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Commissioners Housing Authority Sunnyside, Washington:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business type activities (primary government) and the aggregate discretely presented component unit of the Housing Authority Sunnyside, Washington (the "Authority") as of and for the year ended December 31, 2022, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements, and have issued our report thereon dated September 29, 2023. Our report includes a reference to other auditors who audited the financial statements of the discretely presented component unit as described in our report on the financial statements of the Authority. Those financial statements were not audited in accordance with *Government Auditing Standards*, and accordingly, this report does not include reporting on internal control over financial reporting or instances of reportable noncompliance associated with the discretely presented component unit.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses and significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Commissioners Housing Authority Sunnyside, Washington:

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited the Housing Authority Sunnyside, Washington (the "Authority") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Authority's major federal programs for the year ended December 31, 2022. The Authority's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Authority complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Authority and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Authority's compliance with the compliance requirements referred to above

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Authority's federal programs.

1144 Hooper Avenue, Suite 203, Toms River, New Jersey 08753 www.novoco.com | 732.503.4257

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Authority's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Authority's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Authority's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Authority's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance that we consider to over compliance may exist that were not identified.

Report on Internal Control over Compliance (continued)

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

Purpose of this Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

HOUSING AUTHORITY OF SUNNYSIDE, WASHINGTON NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1. BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal grant activity of the Authority under programs of the federal government for the year ended December 31, 2022. The information in the Schedule is presented in accordance with the requirements of Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of operations of the Authority, it is not intended to and does not present the financial position, changes in net position or cash flows of the Authority. Therefore, some amounts presented in the Schedule may differ from amounts presented in, or used in the preparation of the financial statements.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Pass-through entity identifying numbers are presented where available.

NOTE 3. INDIRECT COST RATE

The Authority has not elected to use the ten percent de minimus indirect cost rate allowed under the Uniform Guidance.

NOTE 4. USDA HOUSING LOANS

The Programs (mortgages) listed subsequently are administered by the U.S. Department of Agriculture, and balances and transactions relating to the Programs are included in the Authority's basic financial statements. Loans outstanding at the beginning of the year and loans made during the year are included in the federal expenditures presented in the Schedule. The balance of the loans outstanding at December 31, 2022 consisted of:
