### SCHEDULE OF FINDINGS AND QUESTIONED COSTS

## City of Ocean Shores January 1, 2023 through December 31, 2023

#### SECTION I – SUMMARY OF AUDITOR'S RESULTS

The results of our audit of the City of Ocean Shores are summarized below in accordance with Title 2 *U.S. Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

#### **Financial Statements**

We issued an unmodified opinion on the fair presentation of the City's financial statements in accordance with its regulatory basis of accounting. Separately, we issued an adverse opinion on the fair presentation with regard to accounting principles generally accepted in the United States of America (GAAP) because the financial statements are prepared using a basis of accounting other than GAAP.

Internal Control over Financial Reporting:

- *Significant Deficiencies:* We reported no deficiencies in the design or operation of internal control over financial reporting that we consider to be significant deficiencies.
- *Material Weaknesses:* We identified no deficiencies that we consider to be material weaknesses.

We noted no instances of noncompliance that were material to the financial statements of the City.

#### Federal Awards

Internal Control over Major Programs:

- *Significant Deficiencies:* We reported no deficiencies in the design or operation of internal control over major federal programs that we consider to be significant deficiencies.
- *Material Weaknesses:* We identified no deficiencies that we consider to be material weaknesses.

We issued an unmodified opinion on the City's compliance with requirements applicable to each of its major federal programs.

We reported no findings that are required to be disclosed in accordance with 2 CFR 200.516(a).

### **Identification of Major Federal Programs**

The following programs were selected as major programs in our audit of compliance in accordance with the Uniform Guidance.

ALN Program or Cluster Title

20.205 Highway Planning and Construction

21.027 COVID-19 Coronavirus State and Local Fiscal Recovery Funds

The dollar threshold used to distinguish between Type A and Type B programs, as prescribed by the Uniform Guidance, was \$750,000.

The City did not qualify as a low-risk auditee under the Uniform Guidance.

#### SECTION II – FINANCIAL STATEMENT FINDINGS

None reported.

## SECTION III – FEDERAL AWARD FINDINGS AND QUESTIONED COSTS

None reported.

#### INDEPENDENT AUDITOR'S REPORT

Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards* 

## City of Ocean Shores January 1, 2023 through December 31, 2023

Mayor and City Council City of Ocean Shores Ocean Shores, Washington

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the City of Ocean Shores, as of and for the year ended December 31, 2023, and the related notes to the financial statements, which collectively comprise the City's financial statements, and have issued our report thereon dated September 12, 2024.

We issued an unmodified opinion on the fair presentation of the City's financial statements in accordance with its regulatory basis of accounting. We issued an adverse opinion on the fair presentation with regard to accounting principles generally accepted in the United States of America (GAAP) because the financial statements are prepared by the City using accounting practices prescribed by state law and the State Auditor's *Budgeting, Accounting and Reporting System* (BARS) Manual described in Note 1, which is a basis of accounting other than GAAP. The effects on the financial statements of the variances between the basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

## REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the City's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described above and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified.

Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses.

#### REPORT ON COMPLIANCE AND OTHER MATTERS

As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion.

The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### PURPOSE OF THIS REPORT

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control and compliance. Accordingly, this communication is not suitable for any other purpose. However, this

report is a matter of public record and its distribution is not limited. It also serves to disseminate information to the public as a reporting tool to help citizens assess government operations.

#### INDEPENDENT AUDITOR'S REPORT

Report on Compliance for Each Major Federal Program and Report on Internal Control over Compliance in Accordance with the Uniform Guidance

## City of Ocean Shores January 1, 2023 through December 31, 2023

Mayor and City Council City of Ocean Shores Ocean Shores, Washington

## REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM

#### Opinion on Each Major Federal Program

We have audited the compliance of the City of Ocean Shores, with the types of compliance requirements identified as subject to audit in the U.S. Office of Management and Budget (OMB) Compliance Supplement that could have a direct and material effect on each of the City's major federal programs for the year ended December 31, 2023. The City's major federal programs are identified in the auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

In our opinion, the City complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2023.

#### Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)* are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the City and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination on the City's compliance with the compliance requirements referred to above.

#### Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the City's federal programs.

#### Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the City's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards* and the Uniform Guidance will always detect a material noncompliance when it exists. The risk of not detecting a material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgement made by a reasonable user of the report on compliance about the City's compliance with the requirements of each major federal program as a whole.

Performing an audit in accordance with GAAS, *Government Auditing Standards* and the Uniform Guidance includes the following responsibilities:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and
  design and perform audit procedures responsive to those risks. Such procedures include
  examining, on a test basis, evidence regarding the City's compliance with the compliance
  requirements referred to above and performing such other procedures as we considered
  necessary in the circumstances;
- Obtain an understanding of the City's internal control over compliance relevant to the audit
  in order to design audit procedures that are appropriate in the circumstances and to test and
  report on internal control over compliance in accordance with the Uniform Guidance, but
  not for the purpose of expressing an opinion on the effectiveness of the City's internal
  control over compliance. Accordingly, no such opinion is expressed; and
- We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

#### REPORT ON INTERNAL CONTROL OVER COMPLIANCE

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed. Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance and therefore, material weaknesses or significant deficiencies may exist that were not identified.

Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

#### Purpose of this Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose. However, this report is a matter of public record and its distribution is not limited. It also serves to disseminate information to the public as a reporting tool to help citizens assess government operations.

#### INDEPENDENT AUDITOR'S REPORT

Report on the Audit of the Financial Statements

## City of Ocean Shores January 1, 2023 through December 31, 2023

Mayor and City Council City of Ocean Shores Ocean Shores, Washington

#### REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

#### **Unmodified and Adverse Opinions**

We have audited the financial statements of the City of Ocean Shores, as of and for the year ended December 31, 2023, and the related notes to the financial statements, as listed in the financial section of our report.

#### **Unmodified Opinion on the Regulatory Basis of Accounting (BARS Manual)**

As described in Note 1, the City has prepared these financial statements to meet the financial reporting requirements of state law and accounting practices prescribed by the State Auditor's *Budgeting, Accounting and Reporting System* (BARS) Manual. Those accounting practices differ from accounting principles generally accepted in the United States of America (GAAP). The differences in these accounting practices are also described in Note 1.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the cash and investments of the City of Ocean Shores, and its changes in cash and investments, for the year ended December 31, 2023, on the basis of accounting described in Note 1.

#### Adverse Opinion on U.S. GAAP

The financial statements referred to above were not intended to, and in our opinion, they do not, present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the City of Ocean Shores, as of December 31, 2023, or the changes in financial position or cash flows thereof for the year then ended, because of the significance of the matter discussed below.

#### **Basis for Unmodified and Adverse Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and *Government Auditing Standards*. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the City, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit unmodified and adverse opinions.

#### Matter Giving Rise to Adverse Opinion on U.S. GAAP

Auditing standards issued by the American Institute of Certified Public Accountants (AICPA) require auditors to formally acknowledge when governments do not prepare their financial statements, intended for general use, in accordance with GAAP. As described in Note 1 of the financial statements, the financial statements are prepared by the City in accordance with state law using accounting practices prescribed by the BARS Manual, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statements of the variances between the regulatory basis of accounting and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions of state law and the BARS Manual described in Note 1. This includes determining that the basis of accounting is acceptable for the presentation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Performing an audit in accordance with GAAS and *Government Auditing Standards* includes the following responsibilities:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether
  due to fraud or error, and design and perform audit procedures responsive to those risks.
   Such procedures include examining, on a test basis, evidence regarding the amounts and
  disclosures in the financial statements:
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing
  an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion
  is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements;
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time; and
- We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the City's financial statements. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by Title 2 *U.S. Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). The Schedule of Liabilities is also presented for purposes of additional analysis, as required by the prescribed BARS Manual. These schedules are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and

certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

## OTHER REPORTING REQUIRED BY GOVERNMENT AUDITING STANDARDS

In accordance with *Government Auditing Standards*, we have also issued our report dated September 12, 2024 on our consideration of the City's internal control over financial reporting and on the tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

# City of Ocean Shores Notes to the Financial Statements For the year ended December 31, 2023

#### Note 1 - Summary of Significant Accounting Policies

The City of Ocean Shores was incorporated in November 1970 and operates under the laws of the state of Washington applicable to a non-charter code city with a mayor-council form of government. The City is a general purpose local government and provides police, fire, emergency care, street maintenance and improvement, parks and recreation, library and general administrative services to its citizens. In addition, the City owns and operates, or contracts for the operation of, a golf course, an airport and convention center. The City also owns and operates a waterworks utility.

The City reports financial activity in accordance with the *Cash Basis Budgeting, Accounting and Reporting System* (BARS) Manual prescribed by the State Auditor's Office under the authority of Washington State law, Chapter 43.09 RCW. This manual prescribes a financial reporting framework that differs from generally accepted accounting principles (GAAP) in the following manner:

- Financial transactions are recognized on a cash basis of accounting as described below.
- Component units are required to be disclosed, but are not included in the financial statements. (see Note 4 Component Unit(s), Joint Ventures, and Related Parties).
- Government-wide statements, as defined in GAAP, are not presented.
- All funds are presented, rather than a focus on major funds.
- The *Schedule of Liabilities* is required to be presented with the financial statements as supplementary information.
- Supplementary information required by GAAP is not presented.
- Ending balances for proprietary and fiduciary funds are presented using classifications that are different from the ending net position classifications in GAAP.

#### A. Fund Accounting

Financial transactions of the government are reported in individual funds. Each fund uses a separate set of self-balancing accounts that comprises its cash and investments, revenues and expenditures. The government's resources are allocated to and accounted for in individual funds depending on their intended purpose. Each fund is reported as a separate column in the financial statements, except for fiduciary funds, which are presented by fund types. The total column is presented as "memo only" because any interfund activities are not eliminated. The following fund types are used:

#### **GOVERNMENTAL FUND TYPES:**

#### General Fund

This fund is the primary operating fund of the government. It accounts for all financial resources except those required or elected to be accounted for in another fund.

#### Special Revenue Funds

These funds account for specific revenue sources that are restricted or committed to expenditures

for specified purposes of the government.

#### Debt Service Funds

These funds account for the financial resources that are restricted, committed, or assigned to expenditures for principal, interest and related costs on general long-term debt.

#### Capital Projects Funds

These funds account for financial resources which are restricted, committed, or assigned for the acquisition or construction of capital facilities or other capital assets.

#### PROPRIETARY FUND TYPES:

#### **Enterprise Funds**

These funds account for operations that provide goods or services to the general public and are supported primarily through user charges.

#### <u>Internal Service Funds</u>

These funds account for operations that provide goods or services to other departments or funds of the government on a cost reimbursement basis.

#### FIDUCIARY FUND TYPES:

Fiduciary funds account for assets held by the government in a trustee capacity or as an agent on behalf of others.

#### Private-Purpose Trust Funds

These funds report all trust arrangements under which principal and income benefit individuals, private organizations or other governments.

#### **Custodial Funds**

These funds are used to account assets that the government holds on behalf of others in a custodial capacity.

#### B. Basis of Accounting and Measurement Focus

Financial statements are prepared using the cash basis of accounting and measurement focus. Revenues are recognized when cash is received and expenditures are recognized when paid.

In accordance with state law the City also recognizes expenditures paid during twenty days after the close of the fiscal year for claims incurred in the previous period.

#### C. Cash and Investments

See Note 3, Deposits and Investments.

#### D. <u>Capital Assets</u>

Capital assets are assets with an initial individual cost of more than \$5,000. Capital assets and inventory are recorded as capital expenditures when purchased.

#### E. Compensated Absences

Accumulation of vacation and sick leave by all City employees is governed by union contracts and City ordinances and therefore varies among departments. Unused vacation is payable upon separation or retirement; employees may receive payment for unused sick leave, depending upon contract provisions. Payments are recognized as expenditures when paid.

#### F. Long-Term Debt

See Note 6, Long Term Debt

#### G. Restricted and Committed Portion of Ending Cash and Investments

Beginning and Ending Cash and Investments are reported as restricted or committed when it is subject to restrictions on use imposed by external parties or due to internal commitments established by external parties (e.g., grantors, creditors, etc.) and/or due to internal commitments. Internally committed resources are resources with limitations imposed by the highest level of government – the City Council through a formal action (e.g., ordinance, resolution) that require a similar formal action on the same level to remove them. When expenditures that meet restrictions are incurred, the City to use the most restricted resources first.

Restrictions and commitments of Ending Cash and Investments consist of:

#### Note 2 – Budget Compliance

The City adopts biennial appropriated budgets at the fund level. The budget constitutes the legal authority for expenditures at that level. Biennial appropriations for these funds lapse at the end of the biennium.

Biennial appropriated budgets are adopted on the same basis of accounting as used for financial reporting.

The appropriated and actual expenditures for the legally adopted budgets were as follows:

| <u>Fund</u>     | <b>Description</b>        | Appropriated Amounts - Amended | Actual Expenditures | <u>Variance</u> |

It is the City's policy to invest all temporary cash surpluses. The interest on these investments is prorated to the various funds.

#### Investments in the State Local Government Investment Pool (LGIP)

The City is a voluntary participant in the Local Government Investment Pool, an external investment pool operated by the Washington State Treasurer. The pool is not rated and not registered with the SEC. Rather, oversight is provided by the State Finance Committee in accordance with Chapter 43.250 RCW. Investments in the LGIP are reported at amortized cost, which is the same as the value of the pool per share. The LGIP does not impose any restrictions on participant withdrawals.

The Office of the State Treasurer prepares a stand-alone financial report for the pool. A copy of the report is available from the Office of the State Treasurer, PO Box 40200, Olympia, Washington 98504-0200, online at <a href="https://www.tre.wa.gov">www.tre.wa.gov</a>.

#### Custodial Credit Risk

Custodial credit risk for deposits is the risk that, in event of a failure of a depository institution, the City would not be able to recover deposits or would not be able to recover collateral securities that are in the possession of an outside party. The City deposits and certificates of deposit are mostly covered by federal depository insurance (FDIC) or by collateral held in a multiple financial institution collateral pool administered by the Washington Public Deposit Protection Commission (PDPC).

All investments are insured, registered or held by the City or its agent in the government's name.

#### Grays Harbor Public Facilities District

On July 15, 2002 the Grays Harbor County Commissioners adopted Resolution 02-60 for the purpose of establishing a Public Facilities District (PFD), and approving an Interlocal Agreement for development of a Regional Center in the City of Ocean Shores. The Interlocal Agreement specifies that the City is responsible for operating the facility pursuant to RCW 35.57.020. Section 4.05 of the February 24, 2004 Contingent Loan Agreement signed by the City, in conjunction with the issuance of the PFD revenue bonds issued to finance the Convention Center, states that the full faith, credit and resources of the City are pledged irrevocably to the payment of the PFD debt.

On March 10<sup>th</sup>, 2014 the City Council passed Ordinance 939 authorizing the sale of City of Ocean Shores LTGO bonds to refund all of the outstanding Grays Harbor County Public Facilities District (PFD) related to the City of Ocean Shores Convention Center. On April 10, 2014, the City sold \$9,370,000 of new bonds. The closing occurred on April 24, 2014. As part of the transaction an O&M Reserve of \$250,000 for the Convention Center was funded. A revised Interlocal Agreement was signed with the PFD pledging the PFD sales taxes to the payment of the new debt.

Under the new agreement the City receives a portion of the state Sales & Use tax collected within Grays Harbor County from the county and combines those funds with Hotel and Motel taxes collected within the City to meet the City's Bond obligation. This activity is tracked within its Debt Service Fund 206. In 2023 the City paid \$390,000 of principal on the debt issue. The outstanding principal at the end of 2023 was \$6,090,000.

The PFD's 2023 revenues were \$615,087 and expenses were \$615,087. The PFD files separate annual reports and obtains separate audits. The annual reports and audits can be found at <a href="https://www.sao.wa.gov">www.sao.wa.gov</a>

#### Ocean Shores Transportation Benefit District No. 1

On February 27, 2017, the City Council approved Ordinance 993 establishing the Ocean Shores Transportation Benefit District (TBD). On April 9, 2018, the TBD Board approved a resolution for a ballot proposition on the August 7, 2018 ballot. The ballot proposition for a two-tenths of one percent (0.2%) sales and use tax for the purpose of funding transportation improvements passed on the August 7, 2018 ballot.

On September 10, 2018, the City Council approved creating a Fiduciary Fund (634) for Ocean Shores Transportation Benefit District No. 1.

The TBD began receiving funds in March 2019.

The TBD's 2023 revenues were \$491,813 and expenses were \$5,821. The City files separate annual reports and obtains separate audit assessments for the PFD. The annual reports and audit assessments can be found at <a href="https://www.sao.wa.gov">www.sao.wa.gov</a>

#### **Note 7 – Other Postemployment Benefits**

LEOFF I Retiree Medical Plan is a closed, single-employer, defined-benefit OPEB plan administered by the City as required by RCW 41.26. The plan pays for 100% of eligible retirees' healthcare costs on a pay-asyou-go basis. As of December 31, 2023, the plan had five members, all retirees. As of December 31, 2023, the City's total OPEB liability was \$2,628,440 as calculated using the alternative measurement method. For the year ended December 31, 2023, the City paid \$139,828 in benefits.

The City also pays for long term care insurance for five of the LEOFF I plan members. In 2023, the City paid \$55,746 for this insurance.

#### Note 8 – Pension Plans

#### A. State Sponsored Pension Plans

Substantially all of the City's full-time and qualifying part-time employees participate in the following statewide retirement systems administered by the Washington State Department of Retirement Systems (DRS), under cost-sharing, multiple-employer public employee defined benefit and defined contribution retirement plans: State of Washington Public Employees' Retirement System (PERS) or Law Enforcement Officers' & Fire Fighters' Retirement System (LEOFF).

The State Legislature establishes, and amends, laws pertaining to the creation and administration of all public retirement systems.

The Department of Retirement Systems, a department within the primary government of the State of Washington, issues a publicly available Annual Comprehensive Financial Report (ACFR) that includes financial statements and required supplementary information for each plan.

The DRS ACFR may be downloaded from the DRS website at www.drs.wa.gov.

The City also participates in the Volunteer Fire Fighters' and Reserve Officers' Relief and Pension Fund (VFFRPF) administered by the State Board for Volunteer Fire Fighters and Reserve Officers. Detailed information about the plan is included in the State of Washington ACFR available from the Office of Financial Management website at www.ofm.wa.gov.

At June 30, 2023 (the measurement date of the plans), the City's proportionate share of the collective net pension liabilities, as reported on the Schedule 09, was as follows:

|          | Employer<br>Contribution | Allocation % | Liability<br>(Asset) |

#### LEOFF Plan 1

The City also participates in LEOFF Plan 1. The LEOFF Plan 1 is fully funded and no further employer contributions have been required since June 2000. If the plan becomes underfunded, funding of the remaining liability will require new legislation. Starting on July 1, 2000, employers and employees contribute zero percent.

#### LEOFF Plan 2

The City also participates in the LEOFF Plan 2. The Legislature, by means of a special funding arrangement, appropriates money from the state general fund to supplement the current service liability and fund the prior service costs of Plan 2 in accordance with the recommendations of the Pension Funding Council and the LEOFF Plan 2 Retirement Board. This special funding situation is not mandated by the state constitution and could be changed by statute.

#### Note 9 - Property Tax

The county treasurer acts as an agent to collect property tax levied in the county for all taxing authorities. Collections are distributed after the end of each month.

Property tax revenues are recognized when cash is received by City. Delinquent taxes are considered fully collectible because a lien affixes to the property after tax is levied.

For 2023, the City levied the property taxes noted in the table below:

| Purpose of Levy      | Assessed Value   | Levy Per \$1,000 | Levy Dollars |
|----------------------|------------------|------------------|--------------|
| Basic Operations     | \$ 2,513,133,115 | \$ 1.4540        | \$ 3,654,113 |
| EMS                  | \$ 2,513,133,115 | \$ 0.3835        | \$ 963,713   |
| Treatment Facilities | \$ 2,465,381,266 | \$ 0.0034        | \$ 8,414     |

#### Note 10 - Risk Management

The City of Ocean Shores is a member of the Washington Cities Insurance Authority (WCIA). Utilizing Chapter 48.62 RCW (self-insurance regulation) and Chapter 39.34 RCW (Interlocal Cooperation Act), nine cities originally formed WCIA on January 1, 1981. WCIA was created for the purpose of providing a pooling mechanism for jointly purchasing insurance, jointly self-insuring, and / or jointly contracting for risk management services. WCIA has a total of 169 members.

New members initially contract for a three-year term, and thereafter automatically renew on an annual basis. A one-year withdrawal notice is required before membership can be terminated. Termination does not relieve a former member from its unresolved loss history incurred during membership.

Liability coverage is written on an occurrence basis, without deductibles. Coverage includes general, automobile, police, errors or omissions, stop gap, employment practices, prior wrongful acts, and employee benefits liability. Limits are \$4 million per occurrence in the self-insured layer, and \$16 million in limits above the self-insured layer is provided by reinsurance. Total limits are \$20 million per occurrence subject to aggregates and sublimits. The Board of Directors determines the limits and terms of coverage annually.

All Members are provided a separate cyber risk policy and premises pollution liability coverage group purchased by WCIA. The cyber risk policy provides coverage and separate limits for security & privacy, event management, and cyber extortion, with limits up to \$1 million and subject to member deductibles, sublimits, and a \$5 million pool aggregate. Premises pollution liability provides Members with a \$2 million incident limit and \$10 million pool aggregate subject to a \$100,000 per incident Member deductible.

Insurance for property, automobile physical damage, fidelity, inland marine, and equipment breakdown coverage are purchased on a group basis. Various deductibles apply by type of coverage. Property coverage is self-funded from the members' deductible to \$1,000,000, for all perils other than flood and earthquake, and insured above that to \$400 million per occurrence subject to aggregates and sublimits. Automobile physical damage coverage is self-funded from the members' deductible to \$250,000 and insured above that to \$100 million per occurrence subject to aggregates and sublimits.

In-house services include risk management consultation, loss control field services, and claims and litigation administration. WCIA contracts for certain claims investigations, consultants for personnel and land use issues, insurance brokerage, actuarial, and lobbyist services.

WCIA is fully funded by its members, who make annual assessments on a prospectively rated basis, as determined by an outside, independent actuary. The assessment covers loss, loss adjustment, reinsurance and other administrative expenses. As outlined in the interlocal, WCIA retains the right to additionally assess the membership for any funding shortfall.

An investment committee, using investment brokers, produces additional revenue by investment of WCIA's assets in financial instruments which comply with all State guidelines.

A Board of Directors governs WCIA, which is comprised of one designated representative from each

member. The Board elects an Executive Committee and appoints a Treasurer to provide general policy direction for the organization. The WCIA Executive Director reports to the Executive Committee and is responsible for conducting the day to day operations of WCIA.

The City also maintains an Unemployment Compensation Fund 503 to self-insure unemployment benefits. With a 2023 beginning balance of \$126,752, revenues totaled \$24,130 and expenses for the fiscal year were \$729 resulting in an ending year balance of \$150,154.

#### City of Ocean Shores Notes to the Schedule of Expenditures of Federal Awards For the Year Ended December 31, 2023

#### Note 1 – Basis of Accounting

This schedule is prepared on the same basis of accounting as the City's financial statements. The City uses the cash basis of accounting.

#### Note 2 – Federal De Minimis Indirect Cost Rate

The City has not elected to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

#### Note 3 – Program Costs

The amounts shown as current year expenditures represent only the federal grant portion of the program costs. Entire program costs, including the City's portion, are more than shown. Such expenditures are recognized following, as applicable, either the cost principles in the OMB Circular A-87, Cost Principles for State, Local, and Indian Tribal Governments, or the cost principles contained in Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

#### ABOUT THE STATE AUDITOR'S OFFICE

The State Auditor's Office is established in the Washington State Constitution and is part of the executive branch of state government. The State Auditor is elected by the people of Washington and serves four-year terms.

We work with state agencies, local governments and the public to achieve our vision of increasing trust in government by helping governments work better and deliver higher value.

In fulfilling our mission to provide citizens with independent and transparent examinations of how state and local governments use public funds, we hold ourselves to those same standards by continually improving our audit quality and operational efficiency, and by developing highly engaged and committed employees.

As an agency, the State Auditor's Office has the independence necessary to objectively perform audits, attestation engagements and investigations. Our work is designed to comply with professional standards as well as to satisfy the requirements of federal, state and local laws. The Office also has an extensive quality control program and undergoes regular external peer review to ensure our work meets the highest possible standards of accuracy, objectivity and clarity.

Our audits look at financial information and compliance with federal, state and local laws for all local governments, including schools, and all state agencies, including institutions of higher education. In addition, we conduct performance audits and cybersecurity audits of state agencies and local governments, as well as state whistleblower, fraud and citizen hotline investigations.

The results of our work are available to everyone through the more than 2,000 reports we publish each year on our website, <a href="www.sao.wa.gov">www.sao.wa.gov</a>. Additionally, we share regular news and other information via an email subscription service and social media channels.

We take our role as partners in accountability seriously. The Office provides training and technical assistance to governments both directly and through partnerships with other governmental support organizations.
