Housing Authority of Mason County

Audit Period
October 1, 2004 through September 30, 2005

Report No. 70989

Issue Date
June 16, 2006

Washington State Auditor Brian Sonntag

June 16, 2006

Board of Commissioners Housing Authority of Mason County Bremerton, Washington

Report on Financial Statements and Federal Single Audit

Please find attached our report on the Housing Authority of Mason County's financial statements and compliance with federal laws and regulations.

We are issuing this report in order to provide information on the Housing Authority's financial condition.

In addition to this work, we look at other areas of our audit client's operations for compliance with state laws and regulations. The results of that audit will be included in a separately issued accountability report.

Sincerely,

BRIAN SONNTAG, CGFM STATE AUDITOR

Federal Summary

Housing Authority of Mason County October 1, 2004 through September 30, 2005

The results of our audit of the Housing Authority of Mason County are summarized below in accordance with U.S. Office of Management and Budget Circular A-133.

- An unqualified opinion was issued on the Housing Authority's financial statements.
- We noted no instances of noncompliance that were material to the financial statements of the Housing Authority.
- We issued an unqualified opinion on the Housing Authority's compliance with requirements applicable to its major federal program.
- We reported no findings which are required to be disclosed under OMB Circular A-133.
- We noted in our Independent Auditor's Report on Financial Statements that the Schedule of Expenditures of Federal Awards was fairly presented.
- The dollar threshold used to distinguish between Type A and Type B programs, as prescribed by OMB Circular A-133, was \$300,000.
- The Housing Authority qualified as a low-risk auditee under OMB Circular A-133.
- The following was a major program during the period under audit:

CFDA No. Program Title

14.871 Housing Choice Vouchers

Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters in Accordance with *Government Auditing Standards*

Housing Authority of Mason County October 1, 2004 through September 30, 2005

Board of Commissioners Housing Authority of Mason County Bremerton, Washington

We have audited the financial statements of the business-type activities and the aggregate discretely presented component units of the Housing Authority of Mason County, Washington, as of and for the year ended September 30, 2005, which collectively comprise the Housing Authority's basic financial statements, and have issued our report thereon dated May 19, 2006. During the year ended September 30, 2005, the Housing Authority implemented Governmental Accounting Standards Board Statement 40, Deposit and Investment Risk Disclosures, Statement 42, Accounting and Financial Reporting for Impairment of Capital Assets and for Insurance Recoveries, Statement 43, Financial Reporting for Postemployment Benefit Plans Other Than Pension Plans, and Statement 45, Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our audit, we considered the Housing Authority's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinions on the financial statements and not to provide an opinion on the internal control over financial reporting.

Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving internal control over financial reporting and its operation that we consider to be material weaknesses.

However, we noted certain matters that we have reported to the management of the Housing Authority in a separate letter dated June 6, 2006.

COMPLIANCE AND OTHER MATTERS

As part of obtaining reasonable assurance about whether the Housing Authority's financial statements are free of material misstatement, we performed tests of the Housing Authority's compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a

direct and material effect on the determination of financial statement amounts. However, the objective of our audit of the financial statements was not to provide an opinion on overall compliance with these provisions. Accordingly, we do not express such an opinion.

The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported herein under *Government Auditing Standards*.

This report is intended for the information and use of management, the Board of Commissioners, federal awarding agencies and pass-through entities. However, this report is a matter of public record and its distribution is not limited. It also serves to disseminate information to the public as a reporting tool to help citizens assess government operations.

BRIAN SONNTAG, CGFM

STATE AUDITOR

May 19, 2006

Independent Auditor's Report on Compliance with Requirements Applicable to its Major Program and Internal Control over Compliance in Accordance with OMB Circular A-133

Housing Authority of Mason County October 1, 2004 through September 30, 2005

Board of Commissioners Housing Authority of Mason County Bremerton, Washington

COMPLIANCE

We have audited the compliance of the Housing Authority of Mason County, Washington, with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Circular A-133 Compliance Supplement* that are applicable to its major federal program for the year ended September 30, 2005. The Housing Authority's major federal program is identified in the Federal Summary. Compliance with the requirements of laws, regulations, contracts and grants applicable to its major federal program is the responsibility of the Housing Authority's management. Our responsibility is to express an opinion on the Housing Authority's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to the financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Housing Authority's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the Housing Authority's compliance with those requirements.

In our opinion, the Housing Authority complied, in all material respects, with the requirements referred to above that are applicable to its major federal program for the year ended September 30, 2005.

INTERNAL CONTROL OVER COMPLIANCE

The management of the Housing Authority is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the Housing Authority's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants caused by error or fraud that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses.

This report is intended for the information of management, the Board of Commissioners, federal awarding agencies and pass-through entities. However, this report is a matter of public record and its distribution is not limited. It also serves to disseminate information to the public as a reporting tool to help citizens assess government operations.

May 19, 2006

Independent Auditor's Report on Financial Statements

Housing Authority of Mason County October 1, 2004 through September 30, 2005

Board of Commissioners Housing Authority of Mason County Bremerton, Washington

We have audited the accompanying basic financial statements of the Housing Authority of Mason County, Washington, and its aggregate discretely presented component units as of and for the year ended September 30, 2005, as listed on page 8. These financial statements are the responsibility of the Housing Authority's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Housing Authority of Mason County and its aggregate discretely presented component units, as of September 30, 2005, and the respective changes in financial position and cash flows, where applicable, thereof, for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

As described in Note 1, during the year ended September 30, 2005, the Housing Authority implemented Governmental Accounting Standards Board Statement 40, Deposit and Investment Risk Disclosures, Statement 42, Accounting and Financial Reporting for Impairment of Capital Assets and for Insurance Recoveries, Statement 43, Financial Reporting for Postemployment Benefit Plans Other Than Pension Plans, and Statement 45, Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions.

In accordance with *Government Auditing Standards*, we have also issued our report on our consideration of the Housing Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

The management discussion and analysis on pages 9 through 12 is not a required part of the basic financial statements but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was performed for the purpose of forming opinions on the financial statements that collectively comprise the Housing Authority's basic financial statements. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. The accompanying Financial Data Schedule is supplemental information required by the United States Department of Housing and Urban Development. The Rural Development financial schedules are presented for purposes of additional analysis as required by the United States Department of Agriculture. These schedules are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

MASON COUNTY HOUSING AUTHORITY

FY 2005 Financial Statement

Management Discussion and Analysis

As management of the Mason County Housing Authority (Housing Authority), we offer readers of the Housing Authority's financial statements this narrative overview and analysis of the financial activities of the Housing Authority for the year ended September 30, 2005.

Since the Management's Discussion and Analysis (MD&A) is designed to focus on the current years activities, resulting changes and currently known facts, please read it in conjunction with the Housing Authority's financial statements which follow.

Financial Highlights

- Assets exceeded liabilities (net assets) at the close of the fiscal year by \$1.04 million for the Housing Authority, a decrease of \$164 thousand from the prior year.
- The Housing Authority revenues decreased by \$151 thousand (6%) during 2005, and were \$2.6 million and \$2.5 million respectively for 2004 and 2005.
- The total expenses of all Housing Authority programs decreased by \$118 thousand (4%) and were \$2.8 million and \$2.6 million respectively for 2004 and 2005.

Authority Wide Financial Statements

The Authority-wide financial statements are designed to be corporate-like in that all business type activities are consolidated into one column which adds to a total for the entire Housing Authority. There are three major sections to the Housing Authority's financial statements included in this report.

The Statements include a Statement of Net Assets, which is similar to a Balance Sheet. The Statement of Net Assets reports all financial and capital resources for the Housing Authority. The statement is presented in the format where assets, minus liabilities, equal "Net Assets", formerly known as equity. Assets and liabilities are presented in order of liquidity, and are classified as "Current" (convertible into cash within one year), and "Non-current".

The focus of the Statement of Net Assets (the "Unrestricted Net Assets") is designed to represent the net available liquid (non-capital) assets, net of liabilities, for the entire Housing Authority. Net Assets (formerly equity) are reported in three broad categories:

Net Assets, Invested in Capital Assets, Net of Related Debt: This component of Net Assets consists of all Capital Assets, reduced by the outstanding balances of any bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.

Restricted Net Assets: This component of Net Assets consists of restricted assets, when constraints are placed on the asset by creditors (such as debt covenants), grantors, contributors, laws, regulations, etc.

Unrestricted Net Assets: Consists of Net Assets that do not meet the definition of "Net Assets Invested in Capital Assets, Net of Related Debt", or "Restricted Net Assets".

The Housing Authority-wide financial statements also include a Statement of Revenues, Expenses and Changes in Fund Net Assets (similar to an Income Statement). This Statement includes Operating Revenues, such as rental income, Operating Expenses, such as administrative, utilities, and maintenance, and depreciation, and Non-Operating Revenue and Expenses, such as grant revenue, investment income and interest expense.

The focus of the Statement of Revenues, Expenses and Changes in Fund Net Assets is the "Change in Net Assets", which is similar to Net Income or Loss.

Finally, a Statement of Cash Flows is included, which discloses net cash provided by, or used for operating activities, non-capital financing activities, and from capital and related financing activities.

The Housing Authority consists of an Enterprise Fund (Business Type Activities) and a Component Unit and uses the full accrual basis of accounting. The Enterprise method of accounting is similar to accounting utilized in the private sector.

Condensed Comparative Financial Information

The following table presents the comparative condensed Statement of Net Assets compared to prior year.

Comparative Condensed Statement of Net Assets

	Business Type Activities			Compon	Unit			
		2005	2004		2005			2004
Assets								
Current and Other Assets	\$	331,932	\$	675,087	\$	47,480	\$	39,205
Capital Assets		3,256,860		3,269,449		1,261,428		1,315,376
Total Assets		3,588,792		3,944,536		1,308,908		1,354,581
Liabilities								
Current Liabilities		464,204		598,913		114,095		85,616
Noncurrent Liabilities		2,745,577		2,866,405		535,642		545,704
Total Liabilities		3,209,781		3,465,318		649,737		631,320
Net Assets								
Invested in Capital Assets								
Net of Related Debt		397,372		320,750		714,902		759,497
Unrestricted		(18,361)		158,468		(55,731)		(36,236)
Total Net Assets	\$	379,011	\$	479,218	\$	659,171	\$	723,261

The Housing Authority's current liabilities exceed current assets by \$199 thousand for a current ratio of 0.66. The current ratio is a measure of the ability to pay debts as they become due. Capital assets net of related debt was \$1.1 million. This is referred to as "Invested in Capital Assets Net of Related Debt" and measures the amount of equity the Housing Authority has in its Capital Assets. The Housing Authority has (\$74) thousand in Unrestricted Net Assets (Unrestricted Equity). This negative amount is due to liabilities exceeding assets and is expected to turn positive within the next five years.

¹ For more detailed information see the Statement of Net Assets.

The following table² presents the comparative condensed Statement of Revenues, Expenses and Changes in Net Assets compared to prior year.

Change in Net Assets		(100,207)		(109,351)	(69,474)		(27,686)
Capital Grants and Contributions		-		-	-		94,616
and other prior year adjustments				(6,546)	 5,384		
Net Assets, Beginning of Year		479,218		595,115	 723,261		656,331
Net Assets, End of Year	\$	379,011	\$	479,218	\$ 659,171	\$	723,261

Other revenues decreased \$140 thousand (63%). Other revenues are not consistently earned and will not likely rise to the level of the previous year. Operating Subsidies, Grants and Other Income, which includes tenant rental subsidy received from the State of Washington and HUD, decreased 0.2%. Total revenues decreased a modest 6%.

Expenses for housing assistance payments decreased primarily due to funding changes made by the Department of Housing and Urban Development (HUD). Most administrative expenses decreased moderately (4%) due to the change in management and management style. Total Expenses decreased 4% over the previous year.

The Housing Authority had a net loss of \$164 thousand this year compared to \$49 thousand net loss in the previous year.

² For more detailed information see the Statement of Statement of Revenues, Expenses and Changes in Net Assets

Capital Asset and Long-Term Debt Activity

Capital Assets

Detailed information regarding the Housing Authority's capital Assets can be found in Note 4 to the financial statements. The following table summarizes the changes in capital assets between fiscal years 2004 and 2005.

Capital Assets, Net	\$	4,584,825	\$	4,518,288	\$	(66,537)	

Long Term Debt Activity

The Housing Authority typically issues various types of debt obligations, including installment notes, bonds, and mortgages to finance the acquisition and construction of assets. During the current year the Housing Authority did not issue any new debt. At September 30, 2005 the Housing Authority had long term debt outstanding in the amount of \$3.4 million. All debt payments for the year were made as scheduled and on time. For more details on the Housing Authorities outstanding debt issues please see Note 6 to the financial Statements.

Other Potentially Significant Matters

The Board of Commissioners gave notice to Bremerton Housing Authority that they intend to end the management contract with the Bremerton Housing Authority. There are no other known facts, decisions, or conditions that are expected to have a significant effect on the financial position of the Housing Authority.

Contacting the Housing Authority's Financial Management

The financial report is designed to provide a general overview of the Housing Authority's finances for all those with an interest. Questions concerning any of the information should be addressed to Tom Drake, CFE, CPA, Finance and Administrative Support Director for the Housing Authority of the City of Bremerton. The Housing Authority's offices are located at 110 Russell Road, P.O. Box 4460, Bremerton, WA 98312. The telephone number is (360) 792-8520.

The notes to the financial statements are an integral part of this statement.

MASON COUNTY HOUSING AUTHORITY NOTES TO FINANCIAL STATEMENTS October 1, 2004 Through September 30, 2005

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the Mason County Housing Authority (Authority) conform to generally accepted accounting principles (GAAP) as applicable to proprietary funds of governments. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles. In June 1999, GASB approved Statement 34, Basic Financial Statements – and Management Discussion and Analysis - for State and Local Governments. This and consecutive statements are reflected in the accompanying financial statements (including notes to financial statements). The following is a summary of the most significant policies (including identification of those policies which result in material departures from generally accepted accounting principles):

This year is the first year the authority has implemented GASB Statement 40-45.

Reporting Entity

The Mason County Housing Authority is a special purpose government and provides low income housing to the general public and is supported primarily through user charges and grants. The Mason County Housing Authority is governed by an appointed five-member Board of Commissioners. As required by generally accepted accounting principles, management has considered all potential component units in defining the reporting entity. The component units discussed below are included in the authority's reporting entity because of the significance of their operational or financial relationships with the authority.

The Housing Authority's basic financial statements include all the accounts of the Housing Authority's operations. The Criteria for including organizations as component units with the Housing Authority's reporting entity, as set forth in GASB's *Codification of Government Accounting and Financial Reporting Standards*, include whether:

- The organization is legally separate (can be sued in their own name)
- The Housing Authority holds the corporate powers of the organization
- The Housing Authority appoints a voting majority of the organizations board
- The Housing Authority is able to impose its will on the organization
- The organization has the potential to impose a financial burden/benefit on the Housing Authority
- There is a fiscal dependency by the organization on the Housing Authority

Based on the aforementioned criteria, the Housing Authority has one component unit, which is discretely presented in a single column. The fiscal year for the Component Unit differs from the Housing Authority. The Component Unit maintains financial records on a December 31 fiscal year. Complete financial statements for the component unit can be obtained from the Housing Authority's administrative offices.

Basis of Accounting and Presentation

The accounting records of the authority are maintained and reported in accordance with methods prescribed by the State Auditor under the authority of Chapter 43.09 RCW and the Federal Department of Housing and Urban Development. The authority must report using GAAP; however, it has the option to use either the single enterprise proprietary fund or special purpose governmental fund model.

The Authority has elected to report as a single-enterprise proprietary fund and uses the accrual basis of accounting. The measurement focus is on the flow of economic resources. The proprietary fund is composed of a number of programs. These programs (Housing Choice Vouchers, Subsidized Project Based properties, etc) are designed to provide low to moderate income individuals with housing.

Proprietary funds are used to account for activities that are operated in a manner similar to private enterprise business. Under this method revenues are recognized when earned and expenses are recognized when incurred. Capital asset purchases are capitalized and long term liabilities are accounted for in the fund.

The Authority applies GASB pronouncements and has not elected to apply Financial Accounting Standard Board (FASB) statements and Accounting Principles Board (APB) pronouncements issued after November 30, 1989.

Assets and Liabilities

Cash and Cash Equivalents

For purposes of the statement of cash flows, the authority considers all highly liquid investments (including restricted assets) with a maturity of three months or less when purchased to be cash equivalents and reported as cash.

Investments

See Note 3.

Receivables

Receivables consist of amounts owed from private individuals or organizations for goods and services including amounts owed for which billings have not been prepared. An estimate of uncollectible accounts is made monthly and subject to approval of the board of commissioners expensed at the end of each month.

Capital Assets and Depreciation

See Note 4.

Compensated Absences

Compensated absences are absences for which employees will be paid, such as vacation and sick leave. The Authority records unpaid leave for compensated absences as an expense and liability when incurred.

Vacation pay, which may be accumulated up to 30 days for up to seven years of service and 36 days for those with at least seven years of service, is payable upon resignation, retirement or death. Sick leave may be accumulated without limit. Upon retirement 100% of the sick leave may be used to pay for medical insurance premiums. Departing employees who have completed their initial evaluation period generally will receive payment for 35% of accrued unused sick leave.

Operating Revenues

The authority reports operating revenues as defined in GASB 9. Operating revenues result from providing services in connection with the ongoing operations of providing low income housing. Operating subsidies and grants are reported as non-operating revenues and are presented as cash flows from non-capital financing activities in the statement of cash flows. Operating expenses are those expenses that are directly incurred in the operations of providing low income housing.

NOTE 2 - STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

State law requires that the Housing Authority maintain occupancy at specified percentages of low income families. State law also requires the Housing Authority to deposit all of its funds with banking institutions in accordance with the terms of the State of Washington Public Deposit Protection Act. The Housing Authority is in compliance with state law with respect to the percentage of low income families served and the Housing Authority makes all investments pursuant to the requirements of Washington State law in Chapter 39.58 RCW and the investment policies it has adopted.

NOTE 3 - DEPOSITS AND INVESTMENTS

Deposits

The Authority deposits and certificates of deposit are entirely covered by federal depository insurance (FDIC) or by collateral held in a multiple financial institution collateral pool administered by the Washington Public Deposit Protection Commission (PDPC).

Investments

As required by state law, all investments of the Authority's funds are obligations of the U.S. Government, U.S. agency issues, obligations of the state of Washington, general obligations of Washington State municipalities, the State Treasurer's Investment Pool, bankers' acceptances, or certificates of deposit with Washington State banks and savings and loan institutions.

The Authority had no investments at 9/30/2005.

NOTE 4 - CAPITAL ASSETS

Major expenses (\$ 1,000 or more and a useful life of one year or more) for capital assets, including capital leases, and major repairs that increase useful lives are capitalized. Maintenance, repairs, and minor renewals are accounted for as expenses when incurred.

All capital assets are valued at historical cost or estimated historical cost, where historical cost is not known/or estimated market value for donated assets. Donations by developers and customers are recorded at the fair market value or the appraisal value.

The Authority has acquired certain assets with funding provided by federal financial assistance programs. Depending on the terms of the agreements involved, the federal government could retain an equity interest in these assets. However, the Authority has sufficient legal interest to accomplish the purposes for which the assets were acquired.

A summary of capital assets activity for the year ended September 30, 2005 is presented below:

Business Type Activities

	 Balance 10/1/2004	lr	ncreases	De	creases	(Balance 9/30/2005
Capital assets, not being depreciated: Land Construction in Progress	\$ 734,249	\$	-	\$	-	\$	734,249
Total capital assets, not being depreciated	734,249		-				734,249
Capital assets, being depreciated:							
Buildings	3,003,401		156,159				3,159,560
Machinery and equipment	174,795				74,690		100,105
Total capital assets, being depreciated	3,178,196		156,159		74,690		3,259,665
Less accumulated depreciation							
for buildings	575,442		77,063				652,505
for machinery and equipment	67,554		16,995				84,549
Total capital assets, net	\$ 3,269,449	\$	62,101	\$	74,690	\$	3,256,860

Component Unit

	Beginning Balance 1/1/2004	Increases	Decreases	Ending Balance 12/31/2004
Capital assets, not being depreciated: Land Construction in Progress	\$66,764	- \$	\$ -	\$ 66,764
Total capital assets, not being depreciated	66,764	-	_	66,764
Capital assets, being depreciated: Buildings	1,480,233	-	-	1,480,233
Machinery and equipment	91,764	10,639		102,403
Total capital assets, being depreciated	1,571,997	10,639	-	1,582,636
Less accumulated depreciation for buildings,machinery and equipment Total capital assets, net	323,385 \$ 1,315,376	38,572 \$ (27,933)	\$ -	361,957 \$ 1,287,443

The original cost of operating property retired or otherwise disposed of and the cost of installation, less salvage, is charged to accumulated depreciation. However, in the case of the sale of a significant operating unit or system, the original cost is removed from the capital asset accounts, accumulated depreciation is charged with the accumulated depreciation related to the property sold, and the net gain or loss on disposition is credited or charged to income.

Depreciation is computed on the straight line method with useful lives of 3 to 40 years. Initial depreciation is based on a half year convention.

Preliminary costs incurred for proposed projects are deferred pending construction of the facility. Costs relating to projects ultimately constructed are transferred to the project; charges that related to abandoned projects are expensed.

NOTE 5 – SHORT-TERM DEBT

The Authority had no short term debt activity for the year ended September 30, 2005.

NOTE 6 - LONG-TERM DEBT AND LIABILITIES

Long-Term Debt

Revenue Bonds and Mortgages:

The Authority issued revenue bonds to finance the purchase of the Pine Gardens, Fairmont Cove, and Goldsborough Cove properties. The revenue bonds are being repaid by the authority's revenues.

The revenue bonds currently outstanding as of September 30, 2004 are as follows:

Business Type Activities

	Orginal	Issue	Interest	Amount
Purpose	Amount	Date	Rate	Outstanding
Pine Gardens Refunding	\$1,005,000	10/31/2002	4.49%	\$866,294

2025-2028		98,775		7,967	106,742				
Totals	\$	545,646	\$	509,926	\$ 1,055,572				

The Authority's component unit obtained a mortgage secured by a deed of trust for the purchase of Kneeland Park. The mortgage is being repaid from the component units revenues.

There are a number of other limitations and restrictions contained in the various bond indentures. The authority is in compliance with all significant limitations and restrictions.

Changes in Long-Term Liabilities

During the year ended September 30, 2005, the following changes occurred in long-term liabilities:

Description		Beginning Balance 10/1/2004	Additions	Re	eductions	Ending Balance 9/30/2005	Due Within One Year
Business Type Activity Revenue Bonds	ties \$	2,948,699		\$	88,581	\$ 2,860,118	\$ 92,847
Component Unit Mortgages	\$	555,879		\$	10,233	\$ 545,646	\$ 10,945

Refunded Debt

The following bond issues have been refunded as of October 31, 2002:

	Amount			
Bond Issue	Οι	utstanding		
1991 Pine Gardens	\$	905.000		

Arbitrage

The Authority periodically monitors for the existence of any rebatable arbitrage interest associated with its tax-exempt debt. The rebate is based on the difference between the interest earnings from the investment of bond proceeds and the interest expense associated with the debt. As of September 30, 2005 the Authority estimates that no arbitrage rebate exists and that no liability exists.

NOTE 7 - PENSION PLAN

Substantially all (authority's) full-time and qualifying part-time employees participate in one of the following statewide retirement systems administered by the Washington State Department of Retirement Systems, under cost-sharing multiple-employer public employee defined benefit and defined contribution retirement plans. The Department of Retirement Systems (DRS), a department within the primary government of the State of Washington, issues a publicly available comprehensive annual financial report (CAFR) that includes financial statements and required supplementary information for each plan. The DRS CAFR may be obtained by writing to: Department of Retirement Systems, Communications Unit, P.O. Box 48380, Olympia, WA 98504-8380. The following disclosures are made pursuant to GASB Statement No. 27, Accounting for Pensions by State and Local Government Employers.

Public Employees' Retirement System (PERS) Plans 1, 2, and 3

Plan Description

PERS is a cost-sharing multiple-employer retirement system comprised of three separate plans for membership purposes: Plans 1 and 2 are defined benefit plans and Plan 3 is a combination defined benefit/defined contribution plan. Membership in the system includes: elected officials; state employees; employees of the Supreme, Appeals, and Superior courts (other than judges currently in a judicial retirement system); employees of legislative committees; community and technical colleges, college and university employees (not in national higher education retirement programs); judges of district and municipal courts; and employees of local governments. PERS participants who joined the system by September 30, 1977, are Plan 1 members. Those who joined on or after October 1, 1977 and by either, February 28, 2002 for state and higher education employees, or August 31, 2002 for local government employees, are Plan 2 members unless they exercise an option to transfer their membership to Plan 3. PERS participants joining the system

on or after March 1, 2002 for state and higher education employees, or September 1, 2002 for local government employees have the irrevocable option of choosing membership in either PERS Plan 2 or PERS Plan 3. The option must be exercised within 90 days of employment. An employee is reported in Plan 2 until a choice is made. Employees who fail to choose within 90 days default to PERS Plan 3. PERS defined benefit retirement benefits are financed from a combination of investment earnings and employer and employee contributions. PERS retirement benefit provisions are established in state statute and may be amended only by the State Legislature.

Plan 1 retirement benefits are vested after an employee completes five years of eligible service. Plan 1 members are eligible for retirement at any age after 30 years of service, or at the age of 60 with five years of service, or at the age of 55 with 25 years of service. The annual pension is 2 percent of the average final compensation per year of service, capped at 60 percent. The average final compensation is based on the greatest compensation during any 24 eligible consecutive compensation months. If qualified, after reaching the age of 66 a cost-of-living allowance is granted based on years of service credit and is capped at 3 percent annually.

Plan 2 retirement benefits are vested after an employee completes five years of eligible service. Plan 2 members may retire at the age of 65 with five years of service, or at the age of 55 with 20 years of service, with an allowance of 2 percent of the average final compensation per year of service. The average final compensation is based on the greatest compensation during any eligible consecutive 60-month period. Plan 2 retirements prior to the age of 65 receive reduced benefits. If retirement is at age 55 or older with at least 30 years of service, a 3 percent per year reduction applies; otherwise an actuarial reduction will apply. There is no cap on years of service credit; and a cost-of-living allowance is granted (indexed to the Seattle Consumer Price Index), capped at 3 percent annually.

Plan 3 has a dual benefit structure. Employer contributions finance a defined benefit component, and member contributions finance a defined contribution component. The defined benefit portion provides a benefit calculated at 1 percent of the average final compensation per year of service. The average final compensation is based on the greatest compensation during any eligible consecutive 60-month period. Plan 3 members become eligible for retirement if they have: at least ten years of service; or five years including twelve months that were earned after age 54; or five service credit years earned in PERS Plan 2 prior to June 1, 2003. Plan 3 retirements prior to the age of 65 receive reduced benefits. If retirement is at age 55 or older with at least 30 years of service, a 3 percent per year reduction applies; otherwise an actuarial reduction will apply. There is no cap on years of service credit; and Plan 3 provides the same cost-of-living allowance as Plan 2. The defined contribution portion can be distributed in accordance with an option selected by the member, either as a lump sum or pursuant to other options authorized by the Employee Retirement Benefits Board.

There are 1,168 participating employers in PERS. Membership in PERS consisted of the following as of the latest actuarial valuation date for the plans of September 30, 2003:

Retirees and Beneficiaries Receiving Benefits	65,362
Terminated Plan Members Entitled to But Not Yet Receiving Benefits	20,001
Active Plan Members Vested	100,469
Active Plan Members Non-Vested	54,081
Total	239,913

Funding Policy

Each biennium, the state Pension Funding Council adopts Plan 1 employer contribution rates, Plan 2 employer and employee contribution rates, and Plan 3 employer contribution rates. Employee contribution rates for Plan 1 are established by statute at 6 percent for state agencies and local government unit employees, and 7.5 percent for state government elected officers. The employer and employee contribution

rates for Plan 2 and the employer contribution rate for Plan 3 are developed by the Office of the State Actuary to fully fund Plan 2 and the defined benefit portion of Plan 3. All employers are required to contribute at the level established by the Legislature. PERS Plan 3 defined contribution is a non-contributing plan for employers. Employees who participate in the defined contribution portion of PERS Plan 3 do not contribute to the defined benefit portion of PERS Plan 3. The Employee Retirement Benefits Board sets Plan 3 employee contribution rates. Six rate options are available ranging from 5 to 15 percent; two of the options are graduated rates dependent on the employee's age. The methods used to determine the contribution requirements are established under state statute in accordance with chapters 41.40 and 41.45 RCW.

The required contribution rates expressed as a percentage of current-year covered payroll, as of December 31, 2005 were as follows:

	PERS Plan 1	PERS Plan 2	PERS Plan 3
Employer*	2.44%	2.44%	2.44%**
Employee	6.00%	2.25%	***

^{*} The employer rates include the employer administrative expense fee currently set at 0.19%.

Both the Authority and the employees made the required contributions. The Authority's required contributions for the years ending December 31 were as follows:

	PERS Plan 1	PERS Plan 2	PERS Plan 3
2005	\$0	\$ 12,142.24	\$ 50.64
2004	\$0	\$ 1,539.34	\$ 304.64
2003	\$ 158.35	\$ 1028.57	\$ 48.16

NOTE 8 - RISK MANAGEMENT

The Mason County Housing Authority is a member of the Housing Authorities Risk Retention Pool (HARRP). Chapter 48.62 RCW authorizes the governing body of any one or more governmental entities to form together into or join a pool or organization for the joint purchasing of insurance, and/or joint self-insuring, or contracting for risk management services to the same extent that they may individually purchase insurance, self insure, or contract for risk management services. An agreement to form a pooling arrangement was made pursuant to the provisions of Chapter 39.34 RCW, the Interlocal Cooperation Act. The pool was formed March 1, 1987 when Public Housing Authority's (PHA's) in the state of Washington joined together by signing an Interlocal Government Agreement to pool their self-insured losses and jointly purchase insurance and administrative services. Thirty-six Washington PHA's have joined the pool, along with 55 in Oregon, California, and Nevada.

The pool allows members to establish a plan for self-insurance, jointly purchase insurance, and provides risk management services and loss control. Coverage for public official liability and fidelity claims is on a "claims made" basis. All other coverage's are on an "occurrence" basis. The pool provides the following forms of pool purchased insurance coverage for its members. The PHA's jointly self-insure the first \$300,000 per occurrence of their general liability exposure and the pool purchases \$2,700,000 in reinsurance. They jointly self-insure the first \$25,000 per occurrence of their real and personal property exposure and the pool purchases the appropriate limits of replacement coverage from the commercial insurance market. The pool also provides public officials Error and Omissions coverage and Fidelity and Employee Dishonesty coverage on a similar pooled/purchased basis. The auto liability program self-insures the first \$100,000 per claim and the pool purchases excess insurance of \$2,000,000.

^{**} Plan 3 defined benefit portion only.

^{***} Variable from 5.0% minimum to 15.0% maximum based on rate selected by the PERS 3 member.

Members make annual contributions based upon an actuarial study to fund the pool. Members have no individual deductible in the General Liability and Auto Liability program, and may choose different levels of deductibles for the property program. Members also have a 10% quota share deductible for Errors and Omissions claims. Since the pool is a cooperative program, there is joint liability among the participating members for the self-insured portion of each claim.

The pool is fully funded by its members. Claims are filed by members with HARRP. HARRP maintains a full time staff including an Executive Director and employees providing appropriate support. The annual premium is calculated to cover all anticipated expenses. Any shortfall will be covered by the pool surplus, reserves, and future rate increases. In 2000, a Supplemental Underwriting Assessment (SUA) was implemented for those members with a 50% or greater 5-year loss history after deducting the largest claim. HARRP is governed by a Board of Directors consisting of representatives from nine member PHA's. The Board meets once each quarter to provide policy direction to the staff.

NOTE 9 - CONTINGENCIES AND LITIGATION

The Authority's policy is to record in its financial statements all material liabilities, including an estimate for situations, which are not yet resolved, but where, based on available information, management believes it is probable that the Authority will have to make payment. In the opinion of management, the Authority's insurance policies are adequate to pay all known or pending claims.

The Authority participates in a number of federal assisted programs. These grants are subject to audit by the grantors or their representatives. Such audits could result in requests for reimbursement to grantor agencies for expenses disallowed under terms of the grants. The Authority's management believes that such disallowance, if any, will be immaterial.

NOTE 10 - DEFERRED DEBITS (OR CREDITS)

In accordance with generally accepted principles for regulated businesses, the Authority had deferred receipts of \$ 711 and the Component Unit had deferred receipts of \$ 2,447 year end FY2005. These receipts result from advanced rents and grants.

NOTE 11 – MAJOR COMPONENT UNIT INFORMATION

Mason County Housing Authority entered into a partnership with Key Community Development Corporation on July 24ⁿ, 2003 to become the general partner of Kneeland Park. The Kneeland Park Associates Limited Partnership owns and operates the Kneeland Park apartments. The project operates on a calendar year (January – December). The Kneeland Park Apartments are a twenty one unit complex. The project was funded in part from a Low Income Housing Tax Credit. The project has a project compliance period of forty years with a minimum low income housing set aside of 100%.

This is the second year that Kneeland Park Apartments is being presented in the Authority's financial statements as a component unit. It is being presented as a separate item and is being reported for the year ending December 31, 2004.

Mason County Housing Authority Schedule of Expenditures of Federal Awards For the Year Ended 09/30/2005

Grantor	CFDA#	Name of Federal Program	Award

	Tot	al Awards	\$2,071,823

The accompanying notes to the Schedule of Expenditures of Federal Awards are an integral part of this Schedule.

Mason County Housing Authority Notes to the Schedule of Expenditures of Federal Awards

NOTE 1 - BASIS OF ACCOUNTING

This schedule is prepared on the same basis of accounting as the Housing Authority's financial statements. The Housing Authority uses the Proprietary fund method of accounting.

NOTE 2 - PROGRAM COSTS

The amounts shown as current year expenditures represent only the federal grant portion of the program costs. Entire program costs, including the Housing Authority's portion, are more than shown.

NOTE 3 - FEDERAL LOANS

The Authority was approved by US Department of Agriculture to receive loans totaling \$1,834,764.13 to renovate low income housing. The amount listed includes loan proceeds received during the year and the outstanding loan balance from prior years.
